Christmas, Texas style

The second and third grade music classes under the direction of Lynda Appelt presented the Eagle Lake Primary School PTO program in Dec.

The program, entitled 'The Night Before Christmas in Texas THAT IS', portrayed a Texas Christmas with Santa (Clayton Bowen) riding in a buckboard geering and hawing, wearing Levi's and a ten gallon Stetson.

Santa had horses instead of reindeer, which made Buddy (Anthony Banks) and Sue (Idalia Morales), with cowboy boots instead of stockings at the foot of their bed, ask "Are you Santa Claus?"

The program featured musical selections, "Time for Love", "O' Come Little Children" with a solo by Shelly Myres and a Spanish selection "El Rorro" with Christopher Cordova and McCesley Thomas portraying

Joseph and Mary.

Other selections were "Nuttin' for Christmas", "Twelve Days of Christmas in Texas", "Top of the House-top", "Santa Rap", "Must Be Santa", "We Wish You a Merry Christmas", and a "Merry Christmas Round".

Readers were Drew Quinney, Daniel Goodwin and Amanda Leal.

Horses were Katlyn Thomas, Irving Pena, Yolanda Cisneros, Martin Vasquez, Dwight Dawson, John Paul Supak, Marco Lopez and Ethan Reznicek.

The students thank Mrs. Tanchi Cordova, Mrs. Sharon Webb and Mr. Robert Griffith for their assistance with the program.

Third grade teachers are Kim Buxkemper, Christina Moody, Melinda Kucherka and Lori Grady.

Sue (Idalia Morales) asks, "Are you Santa Claus?" during the ELPS PTO Christmas Program while Buddy (Anthony Banks) waits for the answer. Santa (Clayton Bowen) lets them know he is a Texas Santa. The program was presented by Ms. Appelt's second and third grade music classes.

Garwood School receives TSSAS award

Dr. Richard Gott, superintendent of the Rice Consolidated Independent School District, announced recently that monetary awards were made to Garwood School as part of the Texas Successful School Awards System (TSSAS).

Rice CISD is among 2,300 cash-winning schools statewide receiving awards for exemplary or recognized performance and the 368 acceptable schools receiving awards based on their comparable improvement group.

Cash awards ranging from \$500 to \$5,000 per school were given depending on the number of students enrolled at the school.

A total of \$2.5 million is being awarded to schools this year under TSSAS.

Data from the Academic Excellence Indicator System (AEIS) was used to determine campus eligibility for awards.

The AEIS is commonly known as the state's report card. One indicator of the AEIS is the Texas Assessment of Academic Skills (TAAS) test. The TAAS measures performance in reading, writing and mathematics.

This year's awards are based on

the spring 1997 TAAS scores and the state's performance standards for dropout and attendance rates.

Schools in the exemplary category had at least 90% of all their students and each student population group (white, African-American, Hispanic, and economically disadvantaged) pass each section of the TAAS.

Exemplary schools' 1994-1995 dropout rate was 1% or less for all students and student group.

In addition, their 1994-95 attendance rate was 94% or greater.

In the recognized category, schools had at least 75% of all students in each student group pass each section of the TAAS. Recognized campuses had a drop out rate of 3.5% or less for all students in each student group. Their attendance rate was at least 94%.

Additionally, for each TAAS subject area below 80% passing (all student and each student group) in the recognized school, actual change of score between 1997 and 1996 TAAS met or exceeded the change needed to reach 90% passing within five years.

The final TSSAS award was given (See Garwood, Page 7)
