

'Dirty Work At The Crossroads' as presented by Players

The audience was prompted with the correct response to the action on stage by the two curtain girls, Ann Capps and Vanessa Rodgers. Here, Ann lets everyone know it's time to cheer when Mookie Maguggins (Jeff Frnka) saves Nellie Lovelace (Sherri Gould) from the advances of the villain, Munro Murgatroyd (Lee Politsch).

A welcomed and appropriate addition to this year's play was live music. Patty Stephens, appropriately dressed for the gay 90s melodrama, provided music appropriate to each character as they appeared or were the focus of a scene.

Stiles, Leopold to wed June 13

Mr. and Mrs. Louis W. Stiles Jr. and Mr. and Mrs. Leo Leopold Jr. are proud to announce the engagement and approaching marriage of their children, Elizabeth Catherine Stiles and Glen Allen Leopold. The marriage will take place Saturday, June 13, 1998, at St. Anthony's Catholic Church in Columbus.

Returning Prairie Edge Player Jeff Frnka and veteran Janet Dupré are partnered in this scene where Fluerette, the French maid, dallies with Mookie Maguggins while her employer, Mrs. Upson Asterbilt (played by Marsha Priesmeyer) is not around... Ooolala!

Houser brings parts experience to Lake Motors

Houston native Frank Houser brings 35 years of parts experience to his position of Parts Manager at Lake Motors in Eagle Lake.

Frank has been with Lake Motors for six months and has teamed with Service Manager Harold Raabe to boost customer satisfaction by arranging same day parts delivery.

"Dealerships in small towns can't afford to stock the vast numbers of parts for every car," said Tom Reed, Lake Motors' owner. "But Frank has helped us find a way to receive same day parts delivery, and often your car will be fixed and ready to go by 5 p.m."

Lake Motors' service strategy is working. This month Raabe won a service satisfaction contest against a dozen other area Chevrolet dealer-

ships, and much of that can be attributed to satisfying customers with getting the right part and getting it quickly.

Frank came to Lake Motors from Bland Cadillac-Saab in Houston, where he had served as Parts Manager since 1991. He had been with Bland for 15 years, and prior to that with various Chevrolet dealerships in Houston since 1962.

In 1983, Frank moved to Rosenberg where he lives today.

He graduated from St. Thomas High School in 1962 and began working at Chuck Davis Chevrolet.

In 1966, he joined the Marine Corps and served in Viet Nam. In 1967, Frank was wounded in battle (See Houser, Page 8)
