RMC hosts JTPA program

Rice Medical Center (RMC) is a work site for the JTPA Summer Youth Program each year.

The program provides meaningful summer work experience for youths eligible for and participating in the Job Training Partnership ACT of 1982 Title IIB Summer Youth Program.

RMC is happy to provide work experience by employing summer youth program participants in special projects and regular daily work activities.

The RMC staff wants to congratulate the participants for successfully completing their assignments. They were happy to have them on their team and very proud of the work they performed.

RMC would like to recognize Sumeka Hodges and Natalie Tillman for accepting positions with RMC.

Both summer youth program participants are students at Rice High School and will be working after class.

In special recognition, pictured above is David Henderson, summer project participant, who helped make the RMC Flower Petal Project a success. David worked very hard in organizing the project. Great job, David!!

Pictured with RMC Administrator David Keith (back, left) are Henderson, next to Keith, and, in the middle, Nakeshia Parker and Sumeka Hodges. In front are Symra Hurd, Jearline Stovall, Renesha Thibodeaux and Natalie Tillman. Michelle Davis was not available at the time of the picture. RMC Photos

Thomas takes part in TSPP

In 1998, Texas continues to seek ways to find more primary care physicians in both rural and urban areas.

For the past 20 years, the Texas Family Residency Program (TFRP) has trained family doctors to meet this need. Currently, there are 31 community-based Family Practice Residency Programs throughout the state.

As a part of this effort, the TFRP also funds the Texas Statewide Preceptorship Program (TSPP) in Family Practice.

The TSPP is designed to promote

medical student interest in the specialized field of family medicine.

Much credit of the successful program has been attributed to its involvement with the Texas Academy of Family Physicians (TAFP). This association, with more than 5,000 members, has provided volunteer family physicians who serve as preceptors to Texas medical students in conjunction departments of Family Practice.

Ann Sheridan, currently a student (See TSPP, Page 8)
