RMC 2nd Annual Golf Tourney held Sept. 26

On Sept. 26, the Second Annual Rice Medical Center (RMC) Classic Golf Tournament was held at the Eagle Lake Golf Course.

Eighty-four men and women from all over the area competed in the two-man scramble in four flights for the prize money.

It was a wonderful day for golf and everyone had a good time.

With the help of over 30 members of the RMC employee volunteers, everyone had plenty of good Austin's BBQ to eat and, thanks to Budweiser

and Coors, plenty to drink.

The fish ponds (those that hit a ball in the water at these spots received a consolation prize) and MRYT's Kissing Toll Booth just added to the fun.

The tournament was for the benefit of the Rice Medical Foundation. The foundation is a not for profit group of volunteers that works to expand and improve health care activities in the Rice District.

The tournament generated over \$17,00 in fees and donations. There were 23 sponsors and over 53 donors

Raiders

21-7 at the half.

Shorthorn's quarterback, Brent Gallo, had the first score of the third quarter on a one-yard keeper.

Schulenburg's extra point was good, putting them ahead 28-7.

Raider fullback Scott scored his second touchdown of the night on a one-yard run with no time left on the

clock in the third quarter.

Hoffman's kick was good, decreasing Schulenburg's lead to 28-14.

Shorthorn running back Irving cut loose for a 63-yard touchdown run to start the final quarter.

The point after put Schulenburg up 35-14.

Schulenburg's final score came on

a seven-yard rush to go up 42-14.

Rice stayed competitive to the last quarter with Jay Knight scoring on a two-yard run.

Scott punched the two-point conversion in to make the final score 42-22.

Barrett Thomas led the Raiders defense with 11 tackles. Junior Brandon Shanks had nine tackles.

Cody Thompson and Hoffman had five tackles and one quarterback sack each.

Rice falls to 2-3 and begins district play against Sweeny Friday night.

AND WITHOUT THE HELP OF THE RICE MEDICAL CENTER
EMPLOYEE VOLUNTEERS, THE TOURNAMENT
COULD HAVE NEVER TAKEN PLACE.

Scoring one of his two touchdowns for the night, Raider #15, Warren Scott, races to what the Rice fans thought was a touchdown with just a few seconds left on the clock in the third quarter. The side judge ruled Scott was down at about the 6" line. So, he just took it the rest of the way on the next play. Friday was Scott's first full game following an ankle injury.

Raider 7th grade A, B football teams split games

The Raider 7th grade football teams traveled to Smithville Thursday, Sept. 17, with the 7th grade "B" team coming away with a 20-0 victory. The 7th grade "A" team lost 14-0 to the Tigers.

On the "B" team, Wayne Morgan scored all three touchdowns on runs of 60, 30 and five yards.

Jeremy Ramirez caught a two point conversion pass from Steven Moore to complete the scoring. Moore had several good runs during the game. James Johnson was on his way to score on the first kick-off of the game until the referees whistled the ball dead because he did not have his mouth piece in place which cost the Raiders a penalty.

These young players learned a painful but important lesson early in their careers, but fortunately the team was able to carry on to success. Defensively, the kids played well in shutting out the Tigers.

The "A" team played a good game as the score was 0-0 until the 3rd quarter. The offense did not really get started until the end of the game when it had a chance to score but failed. Mistakes and penalties hampered the team on offense most of the game. Defensively for the most part it was a good game. Cleve Scott had an interception late in the game. Congratulations to these young men for a good effort.

The 7th grade teams were in action last Thursday at Raider Stadium. The "A" team played Schulenburg and got back on the winning track with a 28-18 victory. This evens their record to 2-2 for the year.

The Rice 7th grade "B" team took on a very tough East Bernard "A" team and came away with a tough 44-6 defeat. This brings their record to 1-1 for the year.

Offensively for the "A" team, the players looked very good at times and struggled a bit here and there.

Scoring for the "A" team were Michael Spears on a short run, Zachary Kloss on two long runs, Dustin Krenek on a pass from Russell Cranek, and Brandon Jenkins on a two-point conversion pass from Cranek.

The "B" teams offense was led by Wayne Morgan who scored the lone

touchdown on a very long run.

Defensively, the "A" team played very well except for a few mistakes.

Players were where they needed to be to make the plays. The Raiders caused and recovered fumbles and had an interception, made by Spears.

The "B" team's defense played well but was overpowered by a very good East Bernard "A" team offense.

The coaches congratulate all the 7th grade Raiders for their hard work and effort.

Seadrift makes a long trip to Rice Stadium to take on the Raiders this week. Game time is 5 p.m.

The 7th graders play as a single team before the JV game Thursday night.

Come out and support your team as they try to avenge one of their losses.
