NOTICE OF REGISTRATION

(Exemption Registration No. 39354)

Class Concrete has registered with the Texas Natural Resource Conservation Commission (TNRCC) to operate a Concrete Batch Plant on County Road 3013, just west of Carter Walker Road, Eagle Lake, Colorado County, Texas under TNRCC 30 Texas Administrative Code Section 106.201 (formerly Standard Exemption 71). The facility will emit the following air contaminants: nitrogen oxides, carbon monoxide, sulfur dioxide, volatile organic compounds, and particulate matter including (but not limited to) cement, aggregate, and road dust. To request a hearing, a person must actually reside in a permanent residence within 440 yards of the proposed plant. If a hearing is held, it will be a legal proceeding similar to civil trials in state district court. The subject of the hearing would be limited to applicable air quality requirements, which do not include issues such as water quality, noise, traffic safety, or zoning. If the registrant demonstrates the plant will comply with all applicable requirements, the proposed plant will qualify for exemption.

To request a hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the registrant's name and registration number; (3) the statement "I/we request a public hearing;" (4) a brief, specific statement of how and why emissions from the proposed facility would adversely affect you in a way not common to members of the general public; and (5) the location of your residence relative to the proposed plant.

Hearing request or comments on the registration must be received in writing at the Chief Clerk's Office, MC-105, TNRCC, P.O. Box 13087, Austin, Texas 78711-3087, within 15 days after the second publication of this notice. This notice is to be published on October 1, 1998, and October 8, 1998.

A copy of the registration is available for review and reproduction at the TNRCC Office of Air Quality, 12124 Park 35 Circle, Building C, Austin, Texas 78753. Registration documents and further information may be obtained from the TNRCC Houston Regional Office, Air Program at 5425 Polk Avenue, Suite H, Houston, Texas 77023-1423, telephone (713) 767-3500. Individual members of the public who wish to inquire about the information contained in this notice or to inquire about other agency permit applications or permitting processes should call the TNRCC Office of Public Assistance, toll free, at 1-800-687-4040.
