7th Grade Raiders tie with Bullogs

The 7th grade Raiders took on the Hitchcock Bulldogs Thursday, Oct. 15, at Raider Stadium.

It was Homecoming night and the Raiders played an exciting game, ending in a 14-14 tie. Their season record now stands at 3-2-1.

Offensively, the Raiders came through when it was needed.

Hitchcock scored first on a reverse play to make it 6-0 with an unsuccessful extra point try.

The Raiders responded with a score on a touchdown run by Michael Spears. The extra point attempt failed.

Hitchcock again scored and succeeded in a two point try to lead 14-6.

After a great kick-off return by Spears, the Raiders set up another score by Spears on a five-yard run.

The score was set up by a fine run off left end by Zachary Kloss. Spears scored the two point conversion on a fake reverse run to tie the score.

Defensively, the Raiders played very well except for the two plays that resulted in the Bulldog touchdowns.

The Raider defense held Hitchcock for the most part with a stand inside the 10 yard line at the beginning of the game and a game-ending stand inside the 10, to hold off defeat.

Spears also had a fumble recovery at the end of the game.

Congratulations to all the young kids for the effort they put out. The team is getting better each week and hopes to continue to improve with hard work and dedication.

The Raiders travel to Needville Thursday to take on the Bluejays. A "B" game will start at 4:30 p.m. and an "A" game will follow.

Come support the Raiders.

Kearney

for Colorado County Judge

- Experienced leadership
- Veteran, combat medic
- Farmer and rancher
- Strong family values
- Deep roots in the county

The county judge is going to have to hit the deck running.

We have some big challenges ahead of us; expanding our tax base to relieve the burden on homeowners, small businesses and agriculture, creating better paying jobs, solving our county's growing pains, and controlling the criminal elements that are spoiling the safe, clean image of our communities.

These problems can't be solved with a heavy handed, "just get tough" approach. Life just isn't that simple anymore. Intelligent, knowledgeable and creative solutions need to be found, and implemented.

Elect a judge who has a good understanding of the problems and has solutions. Elect a judge who will work energetically and intelligently to bring people together and improve our county. Elect a judge who is in touch with the people and understands their everyday concerns. That person is Jim Kearney.

Elect Jim Kearney
