

Local students on *National Dean's List*

A total of 18 students from this area are among over 120,000 students included in the 21st Annual Edition of *The National Dean's List*, 1997-98. The *National Dean's List*, published by Educational Communications Inc., is the largest recognition program and publication in the nation honoring high achieving college students.

Students are selected for this honor by their college deans, registrars or honor society advisors and must be in the upper 10% of their class, on their school's "Dean's List," or have earned a comparable honor. Listed students are eligible to compete for \$50,000 in scholarship awards funded by the publisher, and may also use a referral service for

future employment opportunities. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students. To learn more about the *The National Dean's List* visit www.honoring.com.

PJ's gearing up for next performance

The Prairie Edge Juniors invite you to join them for their next production... *The Wizard of Oz*!!

They will begin with a play reading Sunday, Nov. 1, from 3 to 5 p.m. Auditions will be held Sunday, Nov. 8, from 3 to 5 p.m.

Rehearsals begin Sunday, Nov. 15, from 3 to 5 p.m. and every Sunday from then on.

The production will take place at the end of Jan. or early Feb. The exact date is yet to be decided.

The Prairie Edge Players began its life in 1992 with its first production... "Ruby Red and the Elves"—an adaptation of Snow White and the Seven Dwarves; 1993—Ali Baba and the Forty Thieves; 1994—The Pied Piper of

Hamelin; 1995—The Show Must Go On; 1996—Last Chance High; 1998—Beauty and the Beast (directed by two eighth grade students, Jacqueline and Jessica Thomas).

The Prairie Edge Players has always prided itself on producing musicals of a high standard with lots of singing, dancing and comedy.

They traditionally have large casts of some 40 to 50 children with 30 or more parents and community members helping out backstage and with lights, sets, costumes, sound, etc.

They have also been excited to have children and parents from every walk of life and background.

Most of all, they have lots and lots of fun... and it's FREE!!

Sebesta photographs Sinatra wedding

Jodi F. Sebesta, M. Photog., Cr. of Jodi and Company in Columbus and her staff, photographed the wedding of Frank Sinatra Jr. and Cynthia McMurrey Sunday, Oct. 18.

The wedding was held at the home of the bride's mother in Wharton.

A reception was held immediately after the ceremony at Brennan's Restaurant in Houston.

Sebesta said she was honored to be selected to be their photographer.

"Mr. Sinatra was very cordial to me and my staff. It was a small, intimate wedding and the reception included some very influential people..."

judges, lawyers and employees of the United Nations," said Sebesta.

Mrs. Sinatra, a lawyer for the U.N., has been trying a criminal case in Bosnia for the past two years.

Sebesta added that the only thing that was disappointing about the event was that right before the wedding, Nancy Sinatra, the groom's sister, called to say her flight had been canceled due to the flooding around the Austin airport.

"We almost didn't make it to the wedding ourselves," said Sebesta. "We had to deal with extreme high-way conditions and flooding to make it to the event, but it was all worth it!"

Honor Roll Corrections

The following names were left off the Honor Roll lists for the First Six Weeks: Garwood School: First grade: Tanner Wishert and Jessica Woods; and,

Rice High School: Tabitha Connor.

Did You Know...

• People in ancient India made the first candy with sugar cane.

• John Dalton, an English chemist of the early 19th century, made the first, although inaccurate, table of atomic weights.
