The City of Bastrop has been awarded \$300,000 as a result of the monetary assistance to benefit low income Texans.

State Representative Robert L. Cook (D-Eagle Lake) said, "The aid of the TDHCA to the community of Bastrop is greatly appreciated. It is providing the area with a chance to improve the quality of life for families in great need of an affordable means of housing."

"The Texas Department of Transportation (TxDOT) awarded Garey Construction Company Inc. of Austin a contract in Wharton County to widen FM 1162 and place a seal coat on the roadway.

The length of the project will extend from 9.8 kilometers east of FM 653 to 6.1 kilometers west of the Matagorda County line.

Glen Dvorak, area engineer, will supervise the project which will cost approximately \$1,600,000.00.

State Representative Robert L. Cook (D-Eagle Lake) said Wharton County is privileged to receive monetary help for the improvements. "We

are fortunate that the Department of Transportation has been willing to take part in the improvements to FM Road 1162. I wholeheartedly support the economic development efforts of Wharton County as they relate to the improvements and the development of their transportation systems."

"The TDHCA announced that the City of Elgin has been awarded a grant in the amount of \$500,000 for infrastructure improvements in support of new affordable housing. The proposed infrastructure improvements will support the construction of a new 72-unit single family subdivision.

The funds for this award are made available through the Community Development Block Grant Program administered at the federal level by the U.S. Department of Housing and Urban Development.

This program is administered for the state of Texas by the TDHCA through the Texas Community Development Program.
