Lake Motors to sponsor KIDFISH

Lake Motors in Eagle Lake will sponsor a children's fishing tournament as part of the Fifth Annual Eagle Lake Prairie Chicken Festival.

Lines will be cast at 9 a.m. on Saturday, April 10 on Thornton Pond to open the KIDFISH event.

KIDFISH is an outreach

program of the Texas Parks and Wildlife Foundation designed to educate and provide hands on fishing experience to children of all ages.

Children will be taught about fishing, conservation, and respect for the environment, fish, and other anglers. Upon completing the KIDFISH College, the participants will receive a bachelor's of angling degree and are allowed to fish.

KIDFISH generously stocks the pond prior to fishing to increase the odds of a great catch and a memorable fishing experience. All the equipment, including rods, reels, bait and tackle, is provided to those who need it.

The event is free and everyone is a winner. T-shirts, ribbons, Texas Parks and Wildlife Department handbooks and KIDFISH College diplomas are just some of the items given to each participant.

Additional prizes are awarded to the child catching the longest fish, top five fund-raisers, and kids raising \$15 or more to support the Community Fishing Programs of the Texas Parks and Wildlife Foundation and Texas Parks and Wildlife Department.

To register or for more information, call Lake Motors at (409) 234-5556.
