## LCRA, SBEC give \$6,500 grant to Sheridan Lions Club

The Lower Colorado River Au- Center. thority (LCRA) and San Bernard Electric Cooperative (SBEC) have place for a wide variety of family and include structural supports, lowering awarded the Sheridan Lions Club a civic events and also houses the Sherithe ceiling to make the building more \$6,500 grant to make extensive re- dan Memorial Library. pairs to the Sheridan Community

major interior repairs resulting from damaged paneling and painting the The center provides a meeting tornado and rain damage. Repairs will efficient to heat and cool, replacing The grant will be used to make electrical wiring, repairing water-

The grant is one of 29, totaling \$365,332 that was awarded recently through LCRA's Community Development Partnership Program, now in its fourth year. The program provides economic development and community assistance grants to cities, counties, volunteer fire departments, regional development councils, and other nonprofit organizations in LCRA's 58-county electric and water service area.

For more information on the grants program, or to request an application, contact Lori Vitek at 1-800-776-5272, ext. 3393.

The LCRA is a conservation and Texas Colorado River, operates parks and assists communities in economic development. The LCRA operates on revenues from the sale of electricity and water and other services it provides. It cannot levy taxes and receives no tax money.

The SBEC is one of LCRA's 44 wholesale electric customers.

Grants were also given to the Columbus VFD in the amount of \$10,000 to purchase a new fire/rescue vehicle: SBEC in the amount of \$15,135 to equip a tanker truck and provide other needed equipment; and to Fayette Electric Co-op and Oakland VFD for \$7,392 each for protective gear for firefighters.

WHEN JAW IS OUT OF JOINT

Many who suffer from seemingly not replaced, trauma from an auto disparate symptoms as headaches, earaches, tenderness of the jaw muscles, or dull, aching facial pain often share a common problem. The people - numbering close to 10 million Americans — all suffer from what has come to be known as temporomandibullar joint (TMJ) dysfunction.

The TMJ or "jaw joint" is situated in front of the ear and allows the lower jaw to open, close, move from side to side, front and back and combinations of these movements. TMJ disorders may result when chewing muscles and jaw oints do not work together correctly. Causes: loss of back teeth that are 3525.

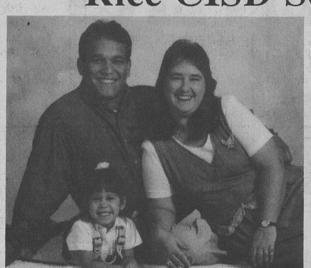

accident, night grinding (bruxism), chronic clenching, malocclusion. Den-tal treatment includes muscle therapies, jaw positioning appliances, exercises, proper diet. Splints or occlusal (bite) support can also be made to eliminate the harmful effects of clenching or grinding the teeth. TMJ can be successfully treated, by your dental

Vote JOE LEE PEREZ for Rice CISD School Board

The Perez Family

Joe Lee, Shannan and Keslie

I am actively involved in: •Parish of the Nativity Catholic Church

- •Knights of Columbus
- •Eagle Lake Volunteer Fire Dept.
- •Licensed Paramedic/Ambulance Corps
- •Campus Improvement Committee
- •President of Revitalize Eagle Lake

I have lived in Eagle Lake for 26 years and graduated from Rice High School in 1989. I received an Applied Science degree from Wharton County Junior College with a major in Radiology. I hold national registries in Radiology and Cat Scans. For the last eight years, I have been employed at Rice Medical Center. My wife, Shannan, has taught at Eagle Lake

Middle School for five years, and we have a four-year-old daughter, Keslie Nicole.

The following issues are of utmost concern to me:

- •Promote the need for increasing our schools' TAAS scores
- •Keep open communications with the public, students, and most of all, the faculty
- •Implement strategies to decrease the high turn over rate of faculty members
- •Keep tax rates affordable in our district
- •Continue to increase the public's awareness of positive school performances

Eagle Lake is my home and I want the best schools and education for our children. I believe education holds an open door which never closes, and it is the stepping stone for the future. Together, we can make a difference for the future of our children.

Vote for Joe on May 1, 1999

from 7:00 a.m. to 7:00 p.m. at Eagle Lake Primary, Garwood, and Sheridan Schools. Early voting at Rice CISD Administration Building, April 14-27, 8 a.m. to 4 p.m. Political advertisement paid for by Joe Lee Perez for School Board, Carolyn Baird, Treasurer, 204 Church Street, Eagle Lake, Texas 77434.

Wildlife Refuge will host youth summer employment program

gram starts and must be still 18 years or write to P.O. Box 519, Eagle Lake, social security number after applying of age when the program ends.

All applicants must be U.S. citizens and meet the eligibility requirement as set forth on the official YCC application.

No prior work experience is required. Employment is without regard to social, economic, racial or ethnic background. The YCC program is for both young men and women.

The YCC program is a well balanced work-learn program that develops an understanding and appreciation of our environment and heritage.

Some of the projects the enrollees will work on are erecting Attwater's prairie chicken acclimation pens, fence line clearing, boundary posting, litter clean-up, exotic plant removal. riparian enhancement, community service, first aid/CPR certification, and environmental education.

This program offers gainful employment to youth for eight weeks in an outdoor atmosphere.

Enrollees will be paid the minimum wage of \$5.15 for a 40 hour work week. Work will begin on June 7 and end July 30, 1999. Enrollees must furnish their own
