Food At The Fair

Once again Colorado County Fair visitors will find a wide variety of delicious food and drinks. There is something for everyone.

In the livestock area, the Columbus FFA Alumni will once again be manning the concession. Fish will be featured on Friday with steak, hamburgers and french fries all day.

Other treats available are corn dogs, hot dogs, sausage on a stick, shrimp on a stick, beef or chicken fajitas, cheeseburgers and barbecue sandwiches. Pizza, turkey legs, nachos, onion rings and Frito pies are also at the various concession stands.

To beat the heat try lemonade, tea, gatorade, slushes, soda water and sno-cones!

To top off your meal have a funnel cake, chocolate covered cheese cake, ice cream or a refreshing malt.

Make plans to see the Fair and enjoy the variety of foods.
