RHS Student Council holds first meeting

By Kim Lott
 The 1999-2000 Rice High School (RHS) Student Council held its first meeting on Aug. 25. Their advisor, Mr. Politsch, called the meeting to discuss plans for this school year.

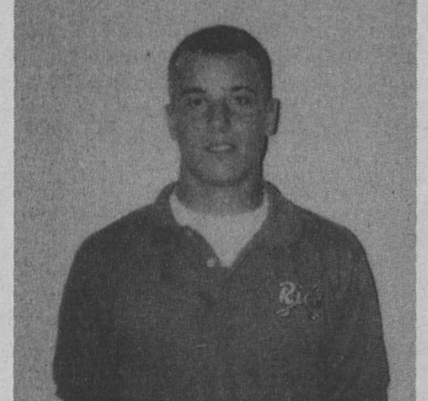

The first order of business was to elect new officers. They are: president, D.J. Sosa; vice-president, Nicole Krenek; secretary, Shanna Waligura; corresponding secretary, Angela Phillips; reporter, Chrissy Leopold; and sergeant at arms, Dale Hentzell.

The second order of business was to assign duties. These duties include morning school announcements and greeting fans at home football games. And finally, they discussed their first blood drive. The first blood drive of the 1999-2000 school year will be

held Sept. 29 in the RHS gym. A second blood drive will be scheduled for the spring.

field playing free safety. When asked how he feels about this year's football team he replied, "We are a young team with a lot of speed, strength and heart. We are looking very good now." Brett also said, "If we keep our heads straight and take care of business, we will be in the playoffs." Brett would like to participate in

baseball and run track this year. When he has free time, Brett enjoys working, spending time with his friends and partying. Brett plans to graduate with the class of 2000, attend a junior college, then transfer to a major university. Brett is the son of Mark and Cynthia Boenisch of Garwood.

Who's Zat?

By Eric Tillery
 "I am so cute, aren't I? Can you guess who I am." This picture was flashed around the halls and at lunch to see if anyone could guess who this cute little girl is. Most people did not know. Amanda Galvan, Andrea Contreras, and Robbie Goode all shrugged their shoulders and said they had no idea. Brandon Shanks looked at the picture for while, then politely asked if it was Stephanie Braden. Sorry Brandon better luck next time, buddy. Dustin Brisco, Julie Mixon, Robyn Alleway and Levi Zuniga knew who this is. They all said, "It's Chrissy Leopold." They said that it was the eyes that gives her away. Chrissy is the daughter of Arthur and Betty Leopold of Garwood. She is involved in many different school organizations; editor of the yearbook, drama club president, band treasurer and student council reporter.

What Do A
Life Preserver
 And A **FLU Shot**
 Have In
Common?

If You Have
Diabetes,
 Ask Your
Doctor.

If you live with diabetes, you're more likely to die with the flu. Just ask the families of the 30,000 people with diabetes who died of flu or pneumonia complications in a recent year. Then ask your doctor for a life-saving flu shot for you and those closest to you, and about the other risks you face when you face diabetes. Because with diabetes, **prevention is control**, and control is your life line.

This message is brought to you by **CDC** and your health department.
