ANNOUNCING NEW ARRIVALS

Reagan Danielle and Richard Lee Laughlin III

Richard and Joan Laughlin of Columbus are the proud parents of twins, Reagan Danielle and Richard Lee Laughlin III, born November 24, 1999 at St. David's Hospital in Austin. Welcoming the babies home were

big sister, Haylee Alexis, grandparents Dr. Richard and Doris Laughlin

and Bernice and Dan Kolenosky of Columbus, great grandparents W.C. "Dub" Alley of Eagle Lake and Dorothy Kolenosky of Fayetteville and numerous aunts, uncles and cousins.

Joshua Charles Dierschke

Donny and Angie Dierschke of Dallas are pleased to announce the birth of their second child, a son, born November 4, 1999 in Irving.

Joshua Charles weighed seven pounds, five ounces and measured 19-1/4 inches at birth.

He was welcomed home by his brother, Jacob, two years old.

Maternal grandparents are Mr. and Mrs. Jimmy Moloney of Kansas City, Kansas.

Paternal grandparents are Mr. and Mrs. James Dierschke of Eagle Lake.

Happy Birthday Wayne Morgan

Dec. 4

Sex

Continued from Page 6

50% of chlamydia cases as reported by the Center for Disease Control (CDC). The rate of gonorrhea is also highest among adolescents. These two bacterial STDs can cause pelvic inflammatory disease that can lead to acute and chronic pain, tubal pregnancies and infertility.

In addition, the CDC reported that 25,023 AIDS cases, the inevitable outcome of the sexually transmitted disease HIV, reported through June 1997 were among adolescents and young adults.

Human papillomavirus (HPV) is one of the most common STDs and it is the cause of over 90% of abnormal pap smears and cervical cancer. The fact is most women don't know this.

The evidence is clear: delaying sexual intercourse until after the adolescent years is good for our children, their children and our community as a whole.

We must all realize that adolescent sex, much like smoking, causes lifelong consequences and creates enormous health and economic burdens for all of us. Preventive medicine is the only cure.

Healthcare professionals must disseminate accurate information to adolescents, other caregivers and their communities.

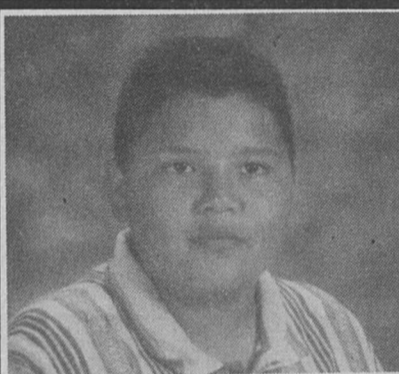

Furthermore, we should talk to teenagers about delaying sex, whether they are sexually active or not. It's never too late to make the right decisions.

Happy 1st Birthday

partment in reference to a theft from his vehicle. A report was filed.

Officer Alley and Sgt. Lattimore were dispatched to W. Prairie in reference to a disturbance at 9:35 p.m. Information was gathered and a report filed.

Cerny

Continued from Page 1

Shoot-out Title, he won the second round with a 7.8 second run and won the Semi Finals round with an 8.7 second run, ending up fourth for the year.

Another elite and prestigious calf roping considered to be the "Granddaddy Invitational Calf Roping" in the State of Texas, was held Nov. 6 of this year in San Angelo, called the San Angelo Fiesta Calf Roping. Clay was one of the 40 calf ropers invited and walked away with the title.

He won the first round... he won the short go... he won the average... and he tied the fastest calf for the day, in other words, it was almost a clean sweep!

When asked or interviewed, Clay will always credit his 1999 season success to the horse he purchased in Jan. of this year. He says "Little Man" fits him like a glove, the two work so well together they're like one.

Clay is #12 in the Crown Royal World Standings in Calf Roping. Watch his calf roping to be televised on ESPN 2 beginning Thursday, Dec. 2, at 10 p.m. Central; 11 p.m. EST.

destroy the visible church. He is using every devious (evil spirit) his mind can conceive. Satan is the god of this world, II Cor. 4:4, he is a spirit, an angel, a strong man armed, he is a real being. He struggles hard to hinder the progress of believers entering into the New Jerusalem. He has blinded the minds of many which believe not. He is a murderer, a liar, a sinner, the wicked one, the tempter, the adversary and the greatest enemy of God and of man. Let's not fool ourselves, no one escapes his temptations. And cannot tear his kingdom down.

Pastor, Rev. J.H. James; General teacher, Sis. Inola Johnson

Will Lowering Cholesterol Reduce the Risk of Stroke?

In addition to reducing the risk of heart disease, the National Cholesterol Education Program now reports that lowering total blood cholesterol levels may also decrease the risk of stroke. In some persons a healthy cholesterol level is achieved through dietary habits alone. In others cholesterol-lowering medicines may be needed if dietary measures alone prove to be inadequate.

Two prescription medicines recently approved by the US Food and Drug Administration for *stroke prevention* are pravastatin (pravachol) and simvastatin (Zocor). Medical researchers believe that these medicines, and possibly others in the same category, help stabilize plaques of cholesterol in blood vessels, preventing plaque rupture and the formation of clots. In a recent study of 4,159 persons who had experienced heart attack in the last two years, those treated with pravastatin experienced a 26 percent reduction in the risk of a stroke. In a larger study, persons treated with simvastatin daily had 28 percent fewer fatal or non-fatal strokes and transient ischemic attacks than those not treated. Studies evaluating whether or not these medicines can ward off a second stroke are ongoing.
