Tomorrow Never Comes

If tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me;
I wish so much you wouldn't cry the way you did today,
While thinking of the many things we didn't get to say.
I know how much you care for me, and how much I care for you,
and each time you think of me I know you'll miss me too;
But when tomorrow starts without me, please try to understand,
that an angel came and called my name and took me by the hand,
and said my place was ready in heaven far above,
and that I'd have to leave behind all those things I dearly love.
But as I turned to walk away, a tear fell from my eye,
for all life, I'd always thought I didn't want to die.
I had so much to live for and so much yet to do,
it seemed almost impossible that I was leaving you.
I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared and all the fun we had.
If I could relive yesterday, I thought, just for a while,
I'd say good-bye and hug you and maybe see you smile.

But then I fully realized that this could never be,
for emptiness and memories would take the place of me.
So when tomorrow starts without me, don't think we're far apart,
for every time you think of me, please know I'm in your heart.
Love,
Your Children, Jacob, Justin & Jaycelin
& Your Family
