President's Message

On behalf of the Junior Fair Board, I would like to welcome everyone to the 2000 Colorado County Fair. We are very excited about kicking off the first fair of the new millennium and about the highly-anticipated new fair grounds. Though many progressive changes have taken place in the fair over the last few years, it has held on to the small town community foundation that it was built on.

The Junior Fair Board members represent the FFA, 4-H, and FCCLA (formerly FHA), members from around the county. We encourage everyone to take advantage of the numerous opportunities our community offers, through leadership, citizenship, and community service activities. Participation in the fair has proven to offer those opportunities for growth.

The impact of the Junior Fair Board was jump-started two years ago under the direction of a new leader, Mrs. Sandra Robinson. Her creativity, energy, organization, and passion for the fair and for youth has been the foundation for our success. We would like to thank Mrs. Robinson, along with the Fair Board, Extension Agency, and all those who support us throughout the course of the year.

The Junior Fair Board invites you all to come enjoy the Colorado County Fair for the first time at the new grounds. We look forward to another successful year. See you at the fair!

Sincerely,

Lora Weishuhn
President, Colorado County Junior Fair Board
