## Home Economics Department Will Display Creative Arts, Crafts

An interesting area to visit at the fair each year is the Home Economics Department. People of all ages can exhibit their creations and compete for awards.

Their entries will be on display in the divisions of needlework, handicrafts, clothing, canned products, baked goods, decorated baked goods, floriculture, farm produce, the favorite recipe contest, Texana, and collective hobbies. At last year's fair we had over 600 entries in these divisions.

Each person entering items

must complete an entry card. Deadline for entry cards and fees in this department is Friday, September 8. Floriculture specimens may be entered on Friday, September 15 from 8:00 to 9:00 a.m. No prior entry card is needed for specimens. Complete rules can be found in the fair catalog.

Many volunteers work each year in this department. Our division chairman and their assistants work before and during the fair getting everything ready for our visitors during fair time. Their

work is greatly appreciated.

The Home Economics Department is located in the new building at the fair grounds along with the Fine Arts Department and the Country Store.

Come by our new location and take a look!

## Auction Nets \$10k

The auction at the Annual Colorado County Fair Kick-Off Dance on August 19 netted \$10,000 for the second straight year, all of which goes toward the Fair's scholarship program which benefits the county's youth. Former county extension agent Jack Hunter served as the auctioneer.

The Colorado County Fair board of directors thanks all who participated in the auction and all those in attendance who enjoyed the music of Stephen Brown and his new band.
