

LIBRARY LINES

Last week, Wintermann Librarian Laura Finney attended a workshop in College Station designed especially for small libraries and directors who don't have a college degree. It covered such areas as policy making, personnel and legal issues.

There are so many details involved in the maintenance of the library.

I want to remind everyone that we will be offering computer classes during the month of Oct. Come by the library and sign up if you are inter-

ested.

You will be taught basic computer skills. The classes will be about an hour and 15 minutes long and will cost \$15 per session.

We have added more children's books to the display just inside the front door. They are only 50¢ each. Come by and select some for your children or grandchildren.

We also still have a good selection of adult and children's books on the shelves marked "Donation Accept-

ed". You may buy these books for whatever price you want to pay.

We are pleased to have the children from New Beginnings School coming on Wednesday mornings for story time.

Be sure and mark your calendars for Oct. 28 when, once again, the Study Club will hold its annual Bake Sale and Auction.

If you haven't already stopped by

the library, be sure to do so and check out the Amish Dolls in the wagon and the Victorian Doll House. When you do, you can buy a chance on either item for \$5. This will help support your library.

Also, the library wishes to thank the anonymous donor who dropped the nice books into the book drop over the weekend.

LETTER TO VOTERS

You Are Seeing Keith Riehs For Sheriff Signs Popping Up Throughout The County. To Those Of You Who Have Been Kind Enough To Allow Me To Place My Signs On Your Property, I Want To Extend My Deepest Gratitude. Your Help Is Very Much Appreciated.

I Was Born in Colorado County, Son Of Larry And Arlene Riehs. I Have One Sister Debbie, Who Resides In Columbus. I Am Married To Cindy Riehs And Have One Daughter Corina. I Grew Up In Columbus And Graduated From Columbus High School. I Started My Law Enforcement Career As A Colorado County Sheriff's Deputy After Graduating From Texas A&M Police Academy in 1979. In 1985 I Went To Larger Departments Where I Gained More Education & Training. In June Of 1999 My Wife and I Decided To Come Back To Colorado County.

After Being Back Just A Short While, I Realized That As Concerned Citizens Of Colorado County, Many Of You Have Issues You Feel Are Not Being Addressed. Some Of You Are Tired Of Living Next Door To A Drug House And Feeling Like No One Cares Or Is Willing To Help. This Problem Deeply Concerns Me Also. I Want You To Help Me Take Back Our Community.

I Want To Bridge The Gap Between The Youth And Law Enforcement. I'd Like To See Us Go Back To The Days When Our Youth Knew That A Lawman Was Their Friend, Always Around To Help Them, Not Harass Them. I Want Our's To Be A Caring Community, One That Reaches Out To The Elderly In A Neighborly Way And Has Young People Talking And Interacting With People Older Than Themselves.

We Can Have All This If We Have Leaders Who Have The Vision To Get Us There. I Want The People Of Colorado County To Know Their Sheriff And To See Their Sheriff Helping People And Listening To Their Concerns! If You Too Would Like To, See This Happen,

VOTE!
