Business, 1953-59; Science & Coach, 1955-57;
Coach, Teacher, Principal, 1955-70

51

Continued from Page 3

assembled with a deck and sides. On the morning of the parade, the Class of '51 group assembled and attached the boat to a motorized cart driven by Bill Fultz. The orange and black eagle that soared overhead was free-handed and cut by Judy Payne. But the inside structure of the eagle came from roof shingles from the mail box at Cypress Lakes after Bobbie trimmed them into

shape. So, as the Class of '51 sails down Main Street in Eagle Lake, it is just a reminder of how we sailed out of graduation at Eagle Lake High School and look back and clearly see what a great school, a great group and a great town we had and have. We wish everyone good sailing through life.

Thank You

We want to take this opportunity to express our appreciation to the Reunion 2000 Committee and all the class representatives who worked untold hours to make last weekend a huge success. Although the cold and rain interfered slightly with our celebration, it did not dampen the spirit of all the ELHS classes. Our sincere thanks to those who worked so hard to make Reunion 2000 a reality and success.

Who said, "You can't go home again?"
