Aerial Hoelscher, daughter of Darlene and Brian Balas of Eagle Lake, was selected to participate in the "Distinguished Youth of Texas Scholarship & Recognition Program," held at the Sheraton Brookhollow Hotel in Dallas, Nov. 17-19.

Texas students were to be selected to receive a \$1,000 U.S. Savings Bond and the right to serve as a State Program Titleholder for one year.

In all, more than \$5,000 in awards and prizes will be presented to various participants.

The Distinguished Youth Program is designed to recognize and reward students who rank high academically and are leaders in their schools and communities. The judging criteria used to select the state titleholders include: scholastic record, service to school and community, personality projection, and interview.

Program founder Warren Alexander stated, "This program truly reflects the female youth of the 21st Century. The candidates are intelligent, well-rounded students. Sixty percent of the judging involves written resumes, with another significant portion being the judge's interview."

SENIORS NEGLECT DENTAL CARE

Teeth get old too, but often, the older they are the less they're cared for. Although older Americans need dental care as much as they did when they were young, a recent study found that the elderly are the least frequent users of dental services.

The damaging influences of aging include normal wear-and-tear leading to gum recession, increasing brittleness of enamel prompting cracks, fractures and darkening of teeth, advanced gum disease and increased incidence of oral cancer.

The study recognized that transportation problems in getting to the dentist and income limitations may also be factors. However, it concluded that elderly patients' ATTITUDE are most responsible for their not seeing the dentist. They see no need to go except for relief of pain.

Many seniors believe that losing teeth with age is as normal as getting gray hair. Not true, Old Timers. Your teeth should last as long as you do with proper care.

Presented as a public service to promote better dental health. From the office of JOHN B. MYRES, D.D.S., 700 S. McCarty Avenue, Eagle Lake, 234-3525.
