meal prices

The Rice CISD cafeterias will begin serving breakfast and lunch Wednesday, Aug. 15. Meal prices will be:

Pre-k through 5th: \$1.50 for lunch, 75¢ breakfast; or Grades 6-12: \$1.75 for lunch, \$1 breakfast; Reduced price lunch: 40¢; Reduced price breakfast: 30¢; Adult: lunch \$2.25, breakfast, \$1.25; Visitor: lunch \$2.75, breakfast, \$1.50

All cafeterias in the district do sell full and reduced price long-term tickets for lunch to students, as well as adults, before breakfast is served or any other time beside serving time. The managers are not allowed, by the Child Nutrition Program, to sell tickets on the line.

Parents and staff, please take note of this and make

arrangements with the managers for the specific time to purchase the tickets instead of expecting them to keep a running tab for your convenience. Parents: This is a reminder that, if your child/chil-

dren receive(s) free lunch, they are also eligible for a free breakfast. Therefore, please encourage your child/ children to eat breakfast at school.

Parents: When a child has four charges, the Rice District cafeteria managers are not required to offer your child a breakfast or lunch. However, they will be offered an alternative meal instead.

Reduced price meals applications will be given to all students the first day of school. They must be completed and returned by Sept. 1 (see qualification chart above). A new application has to be completed each year to qualify for benefits. So, remember to get your application in as requested.

After processing the lunch applications, students will pick up their lunch cards from their respective cafeteria
