## President's Message

**KAYLEE ROBINSON**  
(Columbus HS)

Greetings from the Colorado County Jr. Fair Board! With the Fair, 2001, just around the bend, we have been busily planning and preparing to help make this year bigger and better than ever! We want to invite you, your family and friends to come out and enjoy the festivities. Unforgettable memories are waiting to be made!

As members of the Jr. Fair Board, we take pride in supporting and taking part in the Fair. We are active in school, FFA, FCCLA, and 4-H. We also strive for excellence in our community. Members of our Board are nominated to serve the Fair and specifically Colorado County. Our goals include striving to be better leaders, working hard, devising and taking part in community service activities, and promoting the Colorado County Fair. I am proud to have served on the Board for 4 years. It has been a great honor to serve with such an enthusiastic and energetic group of young adults. Friendships have been made that will endure as long as the efforts of the Colorado County Fair!

The highlight of our year is in September but we actively work year around with fund raising and community service activities. Our achievements have been possible only because of the encouragement and support of the community. We are grateful to the Colorado County Fair Board, the Colorado County Extension Agency and countless individuals without whom we could not succeed in our efforts. A special thanks goes to our sponsor, Mrs. Sandra Robinson (my Mom!). Her guidance and support has given us unity and direction.

We are looking forward to the Fair, 2001. Clearly, the Colorado County Fair is the place to be September 13th through September 16th!

Respectfully,

*Kaylee Robinson*
