Beverly Machac stops by to see what Cullen Wiese brought for the Tailgate Party last Friday in the parking lot of Magnolia High School's stadium. Pictured with Cullen are his parents, Tanya and Bryan Wiese, and "Grandpa" Jimmy Wiese. There were quite a few "tailgaters" before the game. Several provided this photographer with dessert... cookies!

This map was located on the Internet. It doesn't name Cullen Blvd., but it's the street that goes through the University of Houston campus (just to the right of Hofheinz Pavilion). It intersects with the Gulf Freeway north of the campus.

drive, scored from 13 yards away behind some great blocking behind Norris Powell and Adrian Espinosa. Ben Ortiz kicked the PAT for a 41-12 lead.

Following a 52-yard punt from Patrick Milentz, Coldspring scored their final touchdown with several reserves playing on the Rice defense.

On the final drive of the third quarter, which took only one play, Williams erupted into the Trojan secondary for a lightning-fast 65-yard scoring romp. That polished off the scoring at 49-20.

Many reserves and members of the JV team played the majority of the fourth quarter, which was scoreless.

Defensively, Player of the Game honors went to Jerry Cleveland. His relentless style of play led the Raider defense to a solid performance.

Offensively, game honors went to the entire offensive line for their total domination of the Trojans. The group (consisting of center Ronnie Vasquez, guards Garrett Cranek and Adrian Espinosa, tackles Norris Powell and Kevin Shimek and tight end Nick Sharp) have jelled into one of the top 3A lines in the state. They've led the way for the Raiders ground attack, which has averaged an outstanding seven yards per carry for the entire season.

Special Teams Player of the Game was awarded to punter Patrick Milentz who averaged 47.5 yards on two punts, both of which pinned the Trojans deep in their own territory.

Head Coach Russell Roark, who now has back-to-back bi-district championships attached to his name, looks for more as his Raider troops are hungry to knock off undefeated Barber's Hill.

Roark said, "We played a very dominant first quarter. Coldspring played hard, but they were pretty much out of the game once we got up 28-0.

"Our offensive line played an outstanding game. They made some huge holes for our backs to run through. Our defense played well in spurts, but we must stop giving up big plays. Our perimeter defenders need to break down and tackle better in the open field. Overall, I'm pleased with our guys' efforts. Ten wins is the most in school history and we've got win #11 on our minds. I'm looking forward to playing a great Barber's Hill team this Friday."

Note: Statistics for the season are at left. The coaches have added the stats from the Coldspring game.
