This poem is to everyone who knew and loved our dad, Jose Daniel Navarro, Sr. Merry Christmas From Heaven I still hear the songs. I still see the lights. I still feel your love. On cold wintry nights. I still share your hopes And all of your cares. I'll even remind you to Please say your prayers. I just wanted to tell you You still make me proud. You stand head and shoulders Above all the crowd. Keep trying each moment To stay in His grace. I came here before you To help set your place. You don't have to be perfect all of the time. He forgives you the slip, if you continue the climb. To my family and friends, please be thankful today I'm still close beside you in a new special way. I love you all dearly Now don't shed a tear. 'Cause I'm spending my Christmas With Jesus this year.

In Memory of Mike Vidal Duarte
From Your Loving Sister, Mary Helen, and August Servantes
To all his family and friends...
'Don't grieve for me, for now I'm free, I'm following the path God's laid you see. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day, To laugh, to love, to work, to play. Tasks left undone must stay this way. I found that peace at the close of the day. If my parting has left a void, then fill it with remembered joys. A friendship shared, a laugh, a kiss, Oh yes, these things I too will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full, I savored much. Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your heart and peace to thee. God wanted me now; He set me free!'

De Shannon Terrell Sims

This is a poem that I wrote for my Baby titled "Brotherly Love".
Although it's been a year since you left this oh so cruel world and moved on to a beautiful paradise, there's not a day, minute, hour, or second that passes by that you are not thought about. You changed for the better and something tragic like this happens. There are still questions that are unanswered that only you can answer for me. I have a deep down inside love for you that only you knew about. But we all know that Allah (the god) picks only special roses to put in his garden and he saw that you were ready for a new and better life, so he chose you, love. You are truly missed by us all, one day we'll reunite. Love always, Your little brother, the family and your love, Ms. Deborah
