# NRA Women's shoot to benefit Shiners Hospital for Children

As a continuation of their ongoing mission to foster women's safe and responsible participation in the shooting sports, the National Rifle Association's Women on Target™ program is sponsoring a ladies-only charity shotgun event at Westside Sporting Grounds in Katy Sept. 21 and 22. Proceeds will benefit the Shiners Hospital for Children.

The event includes two days of recreational shotgun shooting in a supervised, non-competitive environment. Registration on Saturday, Sept.

21, will begin at 8 a.m. The \$65 prevent entry fee includes targets, ammunition for the first 75 registrants, catered lunch, Women on Target™ goodie bag, and place trophies.

Although pre-event registration is strongly encouraged, shooters may register the day of the event for \$65.

Drawings for guns and other prizes donated by 2002 Women on Target™ national sponsors will be held throughout the event. Loaner shotguns will be available with prior notice.

A couples' fun shoot will be held Sunday, Sept. 22, and will adhere to the same schedule as the women's charity event. The \$90 per couple prevent fee includes 100 total targets, trophies, and lunch. Ammunition is not included but can be purchased on site.

Much like the Women on Target™ sponsored women's charity shoot Saturday, drawings for prizes will highlight the couples' event.

"Westside Sporting Grounds and Women on Target™ are excited about this year's women's charity shoot to benefit Shiners Children's Hospital," said charity shoot state chairman Deb Cleverdon. "With this event, we're able to raise money for a program devoted to providing compassionate medical care for children while involving women in the challenging and enjoyable world of shooting sports."

For registration information and details about the weekend's events, call Cleverdon at 281-988-7192 or e-mail her at dwcleverdo@aol.com.

Women on Target™ sponsored charity shooting events were created to provide more shooting opportunities for women, and to raise money for worthwhile causes. Encouragement, support and enjoyment are three keys to all the shooting events. In addition to charity shooting events, ladies-only hunts and instructional shooting clinics are also offered by the program.

For a schedule of Women on Target™ events and more information, call 1-800-861-1166, or log on to www.nrahq.org/women/wot.asp.

## Screening

Continued from Page 5

Annual screening is the best way to detect prostate cancer early. According to the American Cancer Society, it has a 100% survival rate if caught in its earliest stages.

# Rice FFA News

**By Chad Mahalitic, FFA Reporter**  
The 2002-03 school year may have just recently begun for Rice CISD students, but members of the Rice FFA Chapter have kept busy all summer in preparation for the new school year.

Officers participated in leadership camps and conventions.

During the week of July 9-12, seven members (Laura Engstrom, Tiffany Varley, Chad Mahalitic, Jess Little, Jamie Till, Mandy Staff and Andrew Varley and teachers, Monte Williams and Christie Michalek) attended the State FFA Convention in Fort Worth.

The State FFA Convention is the highlight of a year's activity by FFA members.

Delegates from each chapter conduct the business of the state association and elect officers to represent them on a state level for the coming year.

A major part of the convention activity is the presentation of various achievement awards.

The group also enjoyed watching the FFA talent contest held one evening.

Plans are being made to attend the National Convention in Kentucky.

Members have been quite busy with their projects for the Colorado County Fair which had to be tagged during the summer months. Prepa-

rations for the Fair are done months in advance. Feeding, grooming, exercising and keeping accurate records are just a portion of the work that goes into each project.

The Rice FFA will be well represented this year. We have nine hogs, nine goats, 10 commercial heifers, eight lambs, five steers, and one pen-of-three heifers tagged in. Good luck to all exhibitors.

**FFA members are currently selling meat for their annual fund raiser.** If you would like to purchase sausage, bacon, chicken strips, hams, smoked turkeys, etc., contact any FFA member or call the Ag Department at the high school. **Orders will be taken through Sept. 18.**

Meetings are held the first Monday of each month at 6:30 p.m. in the high school commons. All members are urged to come to meetings and learn of upcoming events and voice their opinions.

Meetings are subject to change due to holidays, etc. Memos are sent to each school to announce the time and date of the next meeting.

The following dates are scheduled meetings: Sept. 9, Oct. 7, Nov. 4, Dec. 2, Jan. 13, Feb. 3, March 3, April 7 and May 5.

In closing, remember to implement the FFA motto in your daily lives: Living to Do, Doing to Learn, Earning to Live, Living to Serve.
