than Nov. 19 to all eligible voters. They must be completed and returned to the FSA office by Dec. 2.

The county committee will tabulate ballots Dec. 4 during its regular session.

All ballots must be signed by an eligible voter, not by an agent with power of attorney.

This year the candidates are Forest English, Chris Glueck, Patrick Pavlu and John Waligura.

The Committee helps deliver FSA programs at the local level. These producers help decide the kind of programs their county will have and how they are administered. Committees make decisions on yields, disaster program, conservation programs, general program and payment eligibility and committees also hear appeals from producers who have received notice of adverse decisions.
