LCRA Employees Helps HFH

Colorado County Habitat For Humanity (CCHFH) is happy and thankful to be a recipient of a recent generous grant.

The \$1,000 donation came from employees of the Fayette Power Plant near LaGrange and the Rail Maintenance Facility at Smithville through the LCRA Employee's United Charities program.

"LCRA employees are glad that they can help a family achieve their dreams of having a comfortable home to live in," said Rick Ulrich, chair of

the United Charities Chapter at Fayette Power Plant and Smithville Rail Fleet Maintenance Facility. "Habitat for Humanity is a great organization with a worthy cause."

LCRA employees who participate in the United Charities program voluntarily donate up to two hours' pay monthly to support the program and then decide how the funds are spent. United Charities contributes more than \$385,000 annually, supporting a variety of nonprofit organizations throughout LCRA's service area.
