PEM... a trip back in time

The Prairie Edge Museum (PEM), located on the corner of East Main and N. Lake Avenue in Eagle Lake, is open daily until noon and 2 to 5 p.m. each Saturday and Sunday.

Prairie Edge offers many interesting items depicting the history of Eagle Lake and the surrounding area. The Museum also offers souvenirs as well as packages of wildflower seeds at the gift shop.

The Thrift Shop is open two Saturday mornings each month. Located on the Lake Ave. side of the building, sale dates are posted next to the Thrift Shop entrance. Stop by and browse!

Make plans to visit the Museum while you're in town and take a tour of yesteryear.

TPWD cannot force you to provide your social security number; however, under Federal Statute, we cannot sell you a license. Your social security number is required to be collected for the purpose of child support collection enforcement under Federal Statute 42 U.S.C.A. 666 and Texas Family Code, Section 231.302. A child under the age of 17 years is not required to furnish a social security number. If you are buying a license for another person, the law requires that the purchaser provide the social security number of the person who will be holding the license.

Hello!, from Stony's

Stony's Taxidermy is ready for business at 100 W. Center in Eagle Lake, 979-234-3698.

I'm looking forward to meeting and doing business with some of the finest people in the world... Hunters.

I'm also a hunter and take pride in my work and the satisfaction of my customers.

So, if you have something you'd like to have mounted (deer, turkey, bobcat, ducks, geese, fish or maybe European mounts, rugs, antler, novelty items, etc.) come by and let me show you my displays.

Hope to see you. Have a Safe and Great Hunting Season.

Thanks,
Stony's Taxidermy

ence guiding waterfowl hunters, I believe in making your hunt the best hunt possible.

The location on the Eagle Lake prairie, 60 miles west of Houston, includes rice fields, flooded timber and prairie ponds for duck hunting, as well as plowed ground, rice and oat fields for goose hunting.

All duck hunting is done from blinds, yes, REAL blinds, fiberglass pit birds and stick up blinds with tops, seats, floors and gun rests. No sitting in the water on buckets!

If you are tired of hunting with "Guides" who don't know a Pin-

tail from a Porcupine, "Guides" who spend more time calling their dog than ducks, then give Tailfeathers a try.

We shoot decoying birds... no sky blasting.

Hunt with guides who love to hunt, hunt everyday and will do their dead level best to make sure you kills birds and have a great hunt.

I have the highest bird per man average during Snow Goose Only season than any club in Colorado County.

No Brag... Just Fact!

I offer quality hunts at fair prices.

For reservations, call "Duck" at 979-732-7549 (mobile) or 979-732-2997. We're on the web at www.tailfeathersguideservice.com. (See my advertisement on Page 14 of this publication.)
