Laws

of this law may be found in the TPW Code, §12.102 (TPW Codes at www.capitol.state.tx.us).

***NEW LAW:** Effective Jan. 1, 2004, it is a crime to drive a motor vehicle in the bed of a navigable freshwater stream, unless approved by a local river access plan established by a city, county, or river authority. This law does not apply to the Red and Canadian Rivers. There are other exemptions as well. The full text may be found in TPW Code, Chapter 90.

***Personal identification:** While hunting, fishing or trapping, persons 17 or older must carry on their person a driver's license or personal identification certificate issued by the Texas Department of Public Safety. Non-residents must carry similar documents issued by the agency in their state or country of residence that is authorized

to issue driver's licenses or personal identification certificates.

***Possession limit:** For all wildlife resources taken for personal consumption and for which there is a possession limit, the possession limit shall not apply after the wildlife resource has reached the possessor's permanent residence and is finally processed.

***Special regulations and documents** are required for the transfer and importation of wildlife resources.

***Waste of Game:** A reasonable effort must be made to retrieve all wounded game birds and game animals and they must be killed immediately and become a part of the legal bag limit. It is a violation to fail to keep all edible portions of a game bird, animal or fish in an edible condition. For whitetail and mule deer, prong-

horn antelope and desert bighorn sheep, the violation is a Class A misdemeanor.

***Retrieval of game:** No person may pursue a wounded wildlife resource across a property line without the consent of landowner of the property where the wildlife resource has fled. Under the trespass provisions of the Penal Code, a person on a property without permission is subject to arrest.

***It is against the law to hunt or fish on privately owned lands or waters without the permission of the owner or the owner's agent.** Under Texas Penal Code (§30.05) it is an offense for any person to enter property that is fenced, posted with a sign(s), or marked (purple paint) without the express permission of the owner.

You are not required to have a fishing license to fish in private waters in Texas; but, if you are on private property while fishing in public water, a fishing license is required.

***It is against the law to discharge a firearm on or across a public road.**

***Harassment of Hunters, Trappers or Anglers** (Sportsmen's Rights Act) is punishable by a fine of \$200 to \$2000 and/or 180 days in jail.

***Inspection:** A game warden may search a game bag, vehicle, vessel or other receptacle if the game warden has reason to believe that the game bag, vehicle, vessel or other receptacle contains a wildlife resource that has been unlawfully killed or taken. See TPWD Code, Section 12.104.
