Lady Raider volleyball honored in All-district selections

The Lady Raider volleyball team received bids to the All-district team this season. This season was a productive one as the Lady Raiders had their chance to make post season play. Going into the last game of the season they were tied for the 3rd place spot. The Lady Raiders placed one on 1st team, one on 2nd team, and four on the honorable mention squads. Making 1st team was junior setter Ka'Shonda

Tillman. Securing a place on 2nd team was senior middle hitter Kaylyn Bönisch. Getting the honorable mention nods were: senior outside hitter Arizbeth Ruvalcaba, sophomore defensive specialist Morgan Dumont, sophomore outside hitter Brinnan Pierce, and freshman middle hitter Shelly Myres.

The Lady Raiders also placed six young ladies on the Academic All-district team. Those are athletes that

maintained a 90 average during the volleyball season. It is a great honor to be recognized for your hard work on the court but, it is an even greater honor to be recognized as an athlete that excels in the classroom. Those young ladies are junior Morgan Dumont, freshman Shelly Myres, sophomore Brinnan Pierce, senior Mandy Staff, senior Arizbeth Ruvalcaba, and senior Tiffany Varley. Congratulations to all of these young Lady Raiders!

The Rice CISD Board of Trustees has formed a District Long Range Planning Committee to discuss the future needs of the Rice Consolidated Independent School District in regards to all phases of education. The committee is formed of various community members, teachers and administrators. The original focus of the committee was the status of the district facilities in regards to structure, maintenance, and future needs within the district. The discussions have included the current curriculum offerings and possible changes, changing demographics and populations, and changes caused by state and federal mandates. Several options have been discussed that include possible additions and/or renovations to current facilities, reconfiguration of grade levels at the community schools, the addition of advanced classes at the junior high level, and the addition of vocational and career interest courses at the junior high and high school level. Dr. Arnold Oates of Texas School Planning has done a facilities study and has given the committee his ideas of areas that need to be addressed in our district. Please feel free to contact any committee member listed below to discuss any areas of concern or to give any suggestions you may have for the betterment of our District. The next meeting will be held on January 10, 2005 at the Sheridan Elementary School at 6:00 p.m. Everyone is invited to attend to share their ideas and expectations.
