Views Around the Lake

By Cindy Klopsteck

"It's beginning to look alot like Christmas."

It's the first weekend in December and I'm still able to walk around the block in short sleeves - it IS December and nearing winter, right? Some of the neighbors already have their house decorations shining. Some, like myself, have yet to string their outdoor lights. As I circle the block enjoying my pace, I call to other neigh-

bors as I pass, who are in the midst of hanging lights and spreading holiday cheer. Intermingled with smiles, waves and friendly greetings I occasionally hear the lower-volumed grumbings:

"You didn't rewind these like you were supposed to last year - look at this mess I have to untangle."
