State Cleanup Effort Scheduled April 1

Drivers will see something different along Texas roadways April 1, when approximately 200,000 volunteers around the state participate in the annual Don't Mess with Texas Trash-Off — one of the nation's largest one-day litter clean-up events.

Trash-Off will launch a spring and summer filled with special events and contests commemorating the 20th anniversary of Don't Mess with Texas. The Don't Mess with Texas Trash-Off is a partnership between Keep Texas Beautiful (KTB) and the Texas Department of Transportation (TxDOT).

The public is invited to participate by contacting the Yoakum District's Adopt-a-Highway Coordinator, Judy Broomas at 361/293-4308 to adopt a stretch of highway.

"When you see thousands of volunteers coming together on one day to help keep Texas beautiful, it's truly inspiring," said TxDOT Travel Division Director Doris Howdeshell. "There's so much to celebrate this year as the Don't Mess with Texas campaign turns 20, and Trash-Off is certainly one of the things we are most proud of."

"People who volunteer for Trash-Off are often surprised by how the experience moves them," said KTB President Lynn Lantrip. "It's such an eye-opening experience. You see the type of litter people are tossing on our roadways or in our parks, and you become even more determined to keep our state clean. Usually people will volunteer again the following year because they feel so good about what they're doing. Of course, we couldn't do it without our volunteers."

In January, TxDOT debuted the new "Real Texans Don't Litter" television public service announcements (PSA) as a springboard for the Don't Mess with Texas 20th Anniversary.

The PSAs feature some of Texas' most recognized celebrities including Lance Armstrong, Erykah Badu, Ray Benson, Jennifer Love Hewitt, Julius Jones, Los Lonely Boys, Matthew McConaughey, Chuck Norris, Janine

Turner, Owen Wilson and Lee Ann Womack.

In addition to the media campaign, TxDOT is sponsoring a "Real Texans Don't Litter" Cleanup Contest, challenging "Real Texans" to volunteer at one of 25 cleanups around the state.

The locations will be unveiled the day of Trash-Off, April 1, and the events will take place between May and mid-August. Visit www.DontMessWithTexas20.org on April 1 for exciting news and additional information.

The Don't Mess with Texas Trash-

Off began in 1986 to encourage the public to refrain from littering for one designated day.

Each year, approximately 830 million pieces of litter accumulate on Texas' roadways and today, litter pickup costs taxpayers approximately \$36 million annually.

Paid contractors clean 90% of these roadways, with groups such as Adopt-a-Highway doing the rest.

Southwest Airlines, McDonald's and the AT&T Cotton Bowl are proud sponsors of the Don't Mess with Texas 20th anniversary.

Texas Parks And Wildlife To Conduct Free Seminar

The Texas Parks and Wildlife is conducting a free wildlife seminar on Tuesday and Wednesday, April 18 and 19 from 8:30 a.m. to 3 p.m.

The program will consist of a workshop on the 18th and a bus tour and field demonstrations on the 19th.

Activities on both days will address recommended wildlife practices to enhance wildlife populations.

Please contact the Colorado County CAD at 979-732-8222 by Friday, April 14 if you are interested in attending and would like to have a catered barbecue meal at a cost of \$10.
