HOROSCOPES

ARIES — Mar 21/Apr 20
Stress is at the center of your week, Aries, and you're a bit worried it will overwhelm you. Take the time for some unwinding each day, and you'll manage.

TAURUS — Apr 21/May 21
An altercation with a coworker leaves you on shaky ground, Taurus. You'd better wipe your slate clean and stay out of trouble for the next few days, or it could hurt your career.

GEMINI — May 22/Jun 21
You must make a firm decision on a trip you're planning to make, Gemini. If you don't settle on a date and destination by Thursday, it will be too late to go.

CANCER — Jun 22/Jul 22
Someone close to you has been sneaking around behind your back. It will take you a while to figure out what this person has been doing. Unfortunately, it's not positive.

LEO — Jul 23/Aug 23
Others have been underestimating your mental capacity, Leo. Show them that you're perfectly capable of handling any tasks they throw at you — and with vigor.

VIRGO — Aug 24/Sept 22
You've been a bit abrasive in personality, Virgo. It's one thing to be honest, but definitely inject a bit of tact into your commentary about others. Stop inadvertently offending.

LIBRA — Sept 23/Oct 23
It seems you can't decide what you want lately, Libra. You make one decision, and then you quickly change your mind. Stick with a path for more than the blink of an eye.

SCORPIO — Oct 24/Nov 22
It's hard for others to figure out which of you they'll be approaching. After all, you've been Dr. Jekyll/Mr. Hyde lately. You have to relax a bit and get your emotions under control.

SAGITTARIUS — Nov 23/Dec 21
Making amends with a family member is a step in the right direction, Sagittarius. Just don't be surprised if they're not so receptive to your apology.

CAPRICORN — Dec 22/Jan 20
Things can't always go your way, Capricorn. Throwing a fit and alienating others will not help any situation. Rather, accept the things you can't change and move on.

AQUARIUS — Jan 21/Feb 18
You have to be more receptive to the feelings of those close to you, Aquarius. Verbal barbs walk a fine line of being funny and hurting others. Think before you speak.

PISCES — Feb 19/Mar 20
Hold onto your hat; things are going to be absolutely crazy this week, Pisces. Definitely expect the unexpected. It's anyone's game.

USDA Announces \$1 Million In Funds

Bryan Daniel, USDA Rural Development State Director announced the availability of \$990,000 via the Rural Business Opportunity Grant (RBOG) Program for Fiscal Year 2006 as published in the March 15, 2006 Federal Register. Additional funds of \$990,000 have been earmarked for Empowerment Zones. Applications will compete nationwide for the funding.

The primary objective of the RBOG Program is to improve the economic conditions of rural areas. Assistance provided to rural areas under this program includes technical assistance for business development and conducting economic development planning. The grants are available to public bodies, non-profits, federally recognized Tribal groups and cooperatives.

Applications for the RBOG non-earmarked funds will not exceed \$50,000 and for multi-state projects \$150,000. There are no project dollar amount limitations for earmarked funds. Completed applications must be submitted to the Texas USDA Rural Development Office, 101 South Main, Suite 102, Temple, Texas 76702, by May 26, 2006. Applications will be tentatively scored by the State Office, with the two highest scoring project applications being considered for funding and submitted to the National Office for final review and selection.

USDA Rural Development works to ensure that rural citizens can participate fully in the global economy by providing technical assistance, funding, and other programs that help rural Americans build strong economies to improve their quality of life. Thank You!

My Fellow Citizens,

Now that the dust has settled with respect to the recent primary elections, I'd like to express my thoughts to you about their outcome.

You've shown your confidence in me by electing me to a third term as your county judge. Thank you. In return for that trust, I will continue to represent each of you fairly and professionally. As in the past, my decisions will be based on what is in the best interests of the entire county and not on any special interest group. Also, as in the past, I'll make mistakes. I ask for your understanding.

During the campaign, I stressed that Colorado County is in good shape. That was more than a political slogan. It's a fact. It's the task of your commissioners and me to keep it that way. We recognize there will be obstacles, but with the cooperation of all concerned, we will overcome those obstacles just as we have done in the past.

Thank you again for the trust you have in me.

In closing, I thank my opponent, Dwain Dungen, for his running an honorable campaign.

Sincerely,
Al Jamison
Colorado County Judge
