# HOROSCOPES

**ARIES** — Mar 21/Apr 20  
Don't let others' unsolved problems affect your week, Aries. Otherwise, you could become overwhelmed in a quest to solve everything rather than focusing in on yourself.

**TAURUS** — Apr 21/May 21  
Don't get frustrated by the things you cannot control this week, Taurus. Even though it seems like everyone is out to get you, you're really just having a few bad days.

**GEMINI** — May 22/June 21  
Infuse your week with a blast of unconventional thinking, Gemini. This will prevent you from getting bogged down when events get a bit stale by week's end.

**CANCER** — June 22/July 22  
A lot of things are getting under your skin, Cancer, and you're looking for any way to have a more positive outlook. Look no further than your own family to cheer you up.

**LEO** — July 23/Aug 23  
When faced with a project early this week, don't be stubborn and unresponsive to others' ideas. A collaborative effort will make the work go faster and more enjoyably.

**VIRGO** — Aug 24/Sept 22  
Your emotions will be completely unstable this week, Virgo. One minute you'll feel fine, and the next you'll feel like you're bouncing off of walls. Take a break — that's the only cure.

**LIBRA** — Sept 23/Oct 23  
You've been all business lately; now it's time to embrace your creative and irrational side, Libra. Take a few days to just kick up your heels and be silly for a while.

**SCORPIO** — Oct 24/Nov 22  
You may want to stay close to home this week, Scorpio. Wherever you turn, you're bound to be met with opposition. Rather than get frustrated, use this opportunity for some alone time.

**SAGITTARIUS** — Nov 23/Dec 21  
You may not feel like you're "clicking" with anything this week, Sagittarius. Make a few subtle adjustments to your way of thinking and things will improve.

**CAPRICORN** — Dec 22/Jan 20  
Trust your instincts, Capricorn, even though redundant extraneous forces may try to come into play. A friend has some sound advice. Heed this person's warnings.

**AQUARIUS** — Jan 21/Feb 18  
This is one of those weeks when others may not appreciate your bubbly disposition and carefree attitude. Don't take offense if they're not keen on your brand of humor.

**PISCES** — Feb 19/Mar 20  
Don't be surprised if things don't go exactly according to plan, Pisces. Unexpected events are certainly going to pop up this week.
