Baccalaureate To Be Held Sunday, May 28

The Eagle Lake Ministerial Alliance announces its annual Baccalaureate service for the graduating seniors of our community. The service is set for 4 p.m. on Sunday, May 28, in First Baptist Church of Eagle Lake.

The Baccalaureate is the traditional spiritual and Christian commencement service for graduating seniors. In years past the service has included singing, scripture reading, and prayers of blessing for the graduates.

This year the Baccalaureate is being planned as a special service of Worship and Blessing for all students in the area who are graduating from high school. We welcome all graduating senior students.

Many students in our community will be graduating from private or home school as well as public schools in surrounding communities. All are welcome to this service. Any senior student of Rice High School, as well as any graduating senior student living in our community is invited. If you are a senior student in our community who does not attend Rice High School; and would like to attend this wonderful service in your honor, contact any member of the Eagle Lake Ministerial Alliance or president Rev. Steve Whitfield at 234-3437 for details.

Parents, faculty, administration, school board members, and the whole community are all invited to attend as our honored guests.
