HOROSCOPES

ARIES - Mar 21/Apr 20
Romance will be at the center of your week, Aries. Think about all of the ways you can surprise and spoil your special someone. Go beyond what would be expected.
TAURUS - Apr 21/May 21
You have to change your outlook on the future, Taurus, or else you're going to end up in a rut. Positive thinking is the name of the game. Once you do so, success will come.
GEMINI - May 22/June 21
Stop worrying what others think, Gemini. This week you'll be marching to your own beat, so there's no point worrying about the reception you will receive.
CANCER - June 22/July 22
The fun and games have to come to an end momentarily, Cancer. This week you need to buckle down and put your nose to the grindstone. Work is all-important.
LEO - July 23/Aug 23
Rest, relaxation and reconnection are the words to live by this week, Leo. Plan an escape and meet up with an old friend with whom you've lost touch.
VIRGO - Aug 24/Sept 22
A new friend will enter your life this week, Virgo, although this person might not seem like it at first. Once you two have a chance to warm up to each other, there will be a bond.
LIBRA - Sept 23/Oct 23
Now is not the time to make rash purchases, Libra. Therefore, put your wallet on lockdown. Pinch pennies where you can and make frugal purchases at the store.
SCORPIO - Oct 24/Nov 22
A confrontation with a spouse or loved one leaves you sizzling mad, Scorpio. Not being one to outwardly show

your temper often, you'll catch others off guard.
SAGITTARIUS - Nov 23/Dec 21
There's more to a new deal that is presented to you than meets the eye, Sagittarius. Just don't seem so anxious to get on board, or others might take advantage of you.
CAPRICORN - Dec 22/Jan 20
Stop getting into quarrels with everyone you meet, Capricorn. You are welcome to have your opinion, but don't expect everyone to think or act the same way as you do.
AQUARIUS - Jan 21/Feb 18
You just don't feel like yourself lately, Aquarius. Regain your people-pleasing persona by taking a few days off to have a change of scenery. The break will do wonders.
PISCES - Feb 19/Mar 20
Don't beat yourself up when a project doesn't go your way, Pisces. You will have a chance to redeem yourself in a few weeks.
