The home of Elaine Hickey at 606 N. McCarty was named Yard of the Month for July.

July Yard Of The Month Named

The Yard of the Month is at 606 N. McCarty. This well kept yard is a study in simplicity with the flowerbeds across the front of the house full of blooming Esparanza and multicolored lantana.

Near the front door is a nice display of Mexican heather surrounding a blue gazing ball.

This is the home of Elaine Hickey. She and her husband moved to Eagle Lake in 1982. Before the move here Elaine worked as an occupation therapy

assistant at TCJ for 4-1/2 years. But in 2000 she found she had more time to work in her yard and work she does.

Her backyard is lovely with

many different plants blooming and an area that is a work in progress. With a small vegetable garden and an inviting sitting area.
