Living Hope Church holds Vacation Bible School

Living Hope Church held its 13th annual Vacation Bible School (VBS) the week of June 12-16.

Pastor Joe Fling termed the VBS "another unqualified success. We have so many children who have been to our program for seven or eight years, we feel like a big happy family every summer. Children from over 20 different churches in our community attended the event, and many came from as far away as Houston."

"It is always a joy to see so many children coming from every part of the community to learn about Jesus Christ," said VBS director Cherrie McCain. "All of the children were so anxious to learn. They participated in the singing and games with such enthusiasm."

Special thanks went to Pastor Mercy Fling who taught Bible stories; Cherrie McCain who did crafts; Martha Yanez who handled Bible memory, contests and the missions offering. Jesse Yanez served shaved ice refreshments and Gloria McCain organized games.

For the second year, Living Hope's VBS was assisted by alumni of many years of Bible School who guided the children between activities and assisted in the various centers. These were Shaina Bowen, Paige Vandermark, Blythe Nava, and Sterling Fling. Allyssa Young assisted in games and Josiah Fling and Trine Alvarado assisted in crafts.

SonTreasure Island was the theme of the VBS. The theme taught principles of the love found in I Corinthians 13. The children learned that God's love is Kind, Giving, Caring, Forgiving, and Forever. All enjoyed elaborate decorations and wonderful games and crafts.

Pastor Fling commented, "All of the credit to this marvelous program goes to our teachers and workers. Many of our workers used vacation time from their jobs to be able to make this voluntary investment of their time in these youngsters."

Five fun filled days concluded on Friday with the SonTreasure island luau, a closing assembly where each class performed a group song and awards were given. Director C. McCain added, "The closing ceremonies are always bittersweet, mixing the joy of a week together with knowing it is ending." The afternoon concluded with an afternoon party with games, food fellowship for children and parents.

year netted over \$300 in offerings during the week, all of which will go to help Chris and Donna Mooney, longtime friends of the Flings and Living Hope Church who have worked on the mission field in Mexico, and Guatemala. Pastor Fling reminded, "Living Hope Church keeps no part of

these offerings, we provide VBS for the kids and the kids' offerings all go to our missions project each year. The young people in our community in this way share in a great working going on around the world."

Sterling Fling's class of mostly 5th and 6th graders won the prize

for bringing in the most money, and were treated to watermelon for their Friday refreshment and other prizes.

Pastor Fling extended thanks to all in the community who let their children share in this wonderful experience of Christian love.
