HOROSCOPES

ARIES - Mar 21/Apr 20

You have R&R on the brain, but you have to buckle down and get through another grueling week at work, Aries. There will be reward enough for a job well done.

TAURUS - Apr 21/May 21

It may feel like everyone is out to get you this week, Taurus. But it is all just your imagination. Just focus on the task at hand and these next few days are going to sail by.

GEMINI - May 22/June 21

Wishing for a change in your finances will get you nowhere, Gemini. You have to put a plan in action to make the changes you desire. Leo can help with the task.

CANCER - June 22/July 22

Focus on family for the next few days, Cancer. Afterward, you'll have some time to devote to yourself. There are big changes on the horizon, so enjoy the downtime now.

LEO - July 23/Aug 23

Hold your head high when you present a proposal to your supervisor, Leo. Your ideas have merit and they should be taken seriously. Surprises are in store on Thursday.

VIRGO - Aug 24/Sept 22

Make the most of the time spent with your spouse or romantic partner, Virgo. The hours will become fleeting when a work project springs up unexpectedly midweek.

LIBRA - Sept 23/Oct 23

You'll have trouble focusing on anything this week, Libra. No matter how hard you try to devote your attention to one task, you'll end up working on multiple projects.

SCORPIO - Oct 24/Nov 22

Rather than going on the defensive with a coworker, Scorpio, sit down and talk to the person about what's bothering you. It may or may not work, but at least you'll have tried.

SAGITTARIUS - Nov 23/Dec 21

Now is not the time to make a major life decision because your head is just not into it, Sagittarius. Put off heavy thinking for another few days and skate through this week.

CAPRICORN - Dec 22/Jan 20

No matter how hard you try, Capricorn, you can't get everyone to like you — just accept it. Instead of trying to win everyone over, spend your energy on the friends you have.

AQUARIUS - Jan 21/Feb 18

There is trouble brewing at home, but you won't be able to figure out what's up unless you confront those you live with. Don't clam up and avoid confrontation.

PISCES - Feb 19/Mar 20

I'll take a lot of effort to get through the week, Pisces, because things will be a struggle for you. Relief comes when Virgo enters the picture.
