HOROSCOPES

ARIES - Mar 21/Apr 20

You're taking a step in the right direction this week, Aries, but you won't seem to make much forward progress. Better regroup and work toward your goal again next week.

TAURUS - Apr 21/May 21

A short stint of feeling sorry for yourself is obliterated when your self-confidence returns, Taurus. You'll make monumental strides in the days to come that will also boost your ego.

GEMINI - May 22/June 21

You've been looking for help in all the wrong places, Gemini. Why not focus your sights closer to home? Family members should be the first people you call upon.

CANCER - June 22/July 22

Time is of the essence in regard to a work situation, Cancer, but you've been dawdling much too often in this area. Put your nose to the grindstone and make some action.

LEO - July 23/Aug 23

Wishing and hoping are no ways to get things accomplished, Leo. Plot a course of action and take steps to see it through to its completion. You'll feel much more satisfied.

VIRGO - Aug 24/Sept 22

You have been working too hard at making a relationship work, Virgo. The signs are clear: this matchup just has no future. Cut your losses while you still can.

LIBRA - Sept 23/Oct 23

When it comes to your week, Libra, there are surprises around every corner. If you keep in mind that there will be no dull moments, it'll be much easier for you to muddle through.

SCORPIO - Oct 24/Nov 22

You'll have a hand in a project at work that will bring you great success, Scorpio. Just don't let all the backslapping go to your head. Next time you'll have to work even harder.

SAGITTARIUS - Nov 23/Dec 21

An argument with someone at home leaves you looking for allies, Sagittarius. Unfortunately, no one is taking your side this time around. Better rethink your strategy.

CAPRICORN - Dec 22/Jan 20

It's time to make a drastic change in your life, Capricorn. Perhaps you should think about relocating or switching jobs. Your head is firmly planted on your shoulders, so it'll be easy.

AQUARIUS - Jan 21/Feb 18

You finally have the motivation to tackle a laundry list of projects, Aquarius. Take one at a time or you could get overwhelmed and want to abandon the tasks at hand.

PISCES - Feb 19/Mar 20

A stroke of luck finds you in a very fortunate place later in the week, Pisces. It's just what you need to brighten your mood.
