HOROSCOPES

ARIES - Mar 21/Apr 20

Use caution this week, Aries, because you are spreading yourself too thin. While you can usually get by on your winning smile, now is not the time to rely on that alone.

TAURUS - Apr 21/May 21

An associate offers to help you out with an important project, Taurus. Don't be afraid to accept a helping hand - it doesn't mean you're less of a person.

GEMINI - May 22/Jun 21

A close friend could use a laugh this week, Gemini, so make the most of the situation to cheer up this person. Take the role of caregiver and make a surprise visit on Wednesday.

CANCER - Jun 22/Jul 22

You had planned on being in control at work this week, but you came across more sheepish than wolf-like. Not to worry; you have a chance to redeem yourself on Friday.

LEO - Jul 23/Aug 23

If you are planning a party, now is the time to send out those invitations. Where you're involved, there are sure to be many affirmative responses.

VIRGO - Aug 24/Sep 22

Rethink and talk about your relationship. Your romantic partner is ready to make a change toward improvement. Just when you thought you knew everything, things change.

LIBRA - Sep 23/Oct 23

This week is looking more like the positive one you had in mind, Libra. Show love to those who agree with you. To those who don't, show compassion.

SCORPIO - Oct 24/Nov 22

This week, it is best to pay attention to others. You have been obsessing about an issue that's taken up much of your time. Forget about it now or it's bound to drag you down.

SAGITTARIUS - Nov 23/Dec 21

Your search for a better way of life may be coming to an end this week. Just what changes are in store? It's all up to you, Sagittarius. Accept some advice from Cancer.

CAPRICORN - Dec 22/Jan 20

Clients and associates who depend upon you are once again rewarded by your hard work, Capricorn. They are not shy about showering you with compliments or referrals.

AQUARIUS - Jan 21/Feb 18

Throw caution to the wind and make a daring change this week, Aquarius. Don't resolve to follow the masses - walk to your own beat. You may find others tagging along.

PISCES - Feb 19/Mar 20

People would rather be reminded about their attributes than their vices, Pisces, so watch what you say. A battle of words may occur.
