HOROSCOPES

ARIES — Mar 21/Apr 20

You're only seeing the trees, not the forest, Aries. You must address the entire problem in order to come to the solution this week. Otherwise, there will be no resolution.

TAURUS — Apr 21/May 21

Keep being a champion for those people you care about. You are the ultimate cheerleader, Taurus. This week, the stars put all of your energy in motion toward your own dream.

GEMINI — May 22/Jun 21

One of your strongest skills is the ability to learn things as you go, Gemini. This will be put to the test this week when something big pops up. You'll handle it.

CANCER — Jun 22/Jul 22

Something that you thought was set in stone actually changes this week, Cancer. It could be good or bad for you, depending on your perspective. Embrace the change.

LEO — Jul 23/Aug 23

The stars point to creation and exploration as the basis for your week, Leo. Explore your artistic side, whether you paint a picture or draft a new novel.

VIRGO — Aug 24/Sept 22

You will experience one wonderful event after another throughout the week, Virgo. As always, they come when you least expect and least need them. But enjoy them anyway.

LIBRA — Sept 23/Oct 23

You are given new responsibility at work, Libra, and there's nothing you love more than spreading your wings and trying out new things. There will be a few bumpy days, then success.

SCORPIO — Oct 24/Nov 22

This week you have more ideas than time to get them all done, Scorpio. You may want to delegate some of your work so you maximize time for creative thinking.

SAGITTARIUS — Nov 23/Dec 21

You need to listen to yourself this week, Sagittarius. You have both physical and emotional needs that cannot be ignored. Treat yourself first, before you help others.

CAPRICORN — Dec 22/Jan 20

It's impossible to listen to what others are saying when you are doing all of the talking, Capricorn. Take the advice of others and it'll make fast work of the things you need to accomplish.

AQUARIUS — Jan 21/Feb 18

Few will be able to keep up with your positive attitude this week, Aquarius. You are on Cloud 9 and loving every minute of it. Now's the time to follow through on ideas.

PISCES — Feb 19/Mar 20

Don't take any shortcuts this week, Pisces. They actually may cost you more time in the long run. Use your contagious enthusiasm to recruit others.
