HOROSCOPES

HOROSCOPES

ARIES - Mar 21/Apr 20
This week, you're in high spirits and full of energy, Aries. Get as much out of the early portion of the week as possible, because eventually the excitement will die down.

TAURUS - Apr 21/May 21
A chain reaction of good news occurs this week, Taurus. You are caught off guard but will enjoy the outcome. Bolstered by a great week, even mundane chores will be fun.

GEMINI - May 22/Jun 21
You are the idea person this week, Gemini, and you just need to find someone who will follow through on your vision. It will be a slow go through some communication problems.

CANCER - Jun 22/Jul 22
You will probably splurge on something you shouldn't, Cancer, but it's OK for this week. Your finances are sitting pretty and you have some room for indulgent purchases.

LEO - Jul 23/Aug 23
You are on a roll this week, Leo. Everyone loves you, you say all of the right things, and everything is going your way. It will come to an end on Saturday.

VIRGO - Aug 24/Sept 22
People may give you a hard time this week, Virgo, but you won't let it bring you down. Show off your talents, and soon others will come around to see your worth.

LIBRA - Sept 23/Oct 23
Let someone else be the life of the party, Libra. Take some time to listen up this week instead of having all ears and eyes on you. You may be surprised at what you learn.

SCORPIO - Oct 24/Nov 22
This week a friend will whisper something in your ear that will immediately put a smile on your face. You could use some uplifting news because the next few weeks will be doozies.
