WHO IS A CANDIDATE FOR SEDATION DENTISTRY

Let's face it. The mouth is probably our body's ultimate private space.

Our mouth is where we eat, breathe, talk, smile kiss...well, you get it! Many normal people like you don't like dentists doing things in there.

At Sealy Dental Center, you have our most humble respect and understanding.

If you have ever had a traumatic experience, you're probably never going to be very relaxed in the dental office. You're only human. For some it's the sounds, smells or tastes associated with the visit. For others it may be the sensitivity, gag reflex, difficulty getting numb or fear of shots.

But for us at Sealy Dental Center, the thing that breaks our heart more than those mentioned is when a patient has been made to feel ashamed or embarrassed.

At Sealy Dental Center, you are welcome. You are a candidate for sedation dentistry.
