HOROSCOPES

ARIES - Mar 21/Apr 20
You will find, Aries, that someone you thought to be very self-centered will make you a generous offer this week. You should humbly accept this proposal.

TAURUS - Apr 21/May 21
If someone pressures you for an answer this week, don't feel compelled to give information quickly. You need to slowly and thoroughly sort out all sides of the story first.

GEMINI - May 22/June 21
You need answers but don't really know where to get them, Gemini. The best way to become informed is to patiently wait for those answers to fall into your lap.

CANCER - June 22/July 22
A current relationship is entering a rough patch, Cancer. You'd better take a hard look at the situation and take steps to fix what is wrong before the problem escalates.

LEO - July 23/Aug 23
A valuable piece of information is about to come your way, Leo. It will give you all you need to secure your good standing in the eyes of those around you.

VIRGO - Aug 24/Sept 22
Someone in your life is making every attempt at a big splash for attention, Virgo. However, you remain unimpressed and not jaded by these antics.

LIBRA - Sept 23/Oct 23
This week is a good time to appreciate the beauty all around you, Libra. Take a walk and examine the winter landscape or admire the architecture where you call home.

SCORPIO - Oct 24/Nov 22
You'd rather be the puppet master, but the stars say you'll have more effect if you are actually in front of the curtain. Get out there and be noticed this week.

SAGITTARIUS - Nov 23/Dec 21
Your spirit is lagging, Sagittarius. Better surround yourself with large groups of upbeat people so that you can pull yourself out of this slump. Don't worry ... it's temporary.

CAPRICORN - Dec 22/Jan 20
People feel compelled to take care of you, Capricorn, but this time you're turning the tables. It's your chance to care for others by both your words and actions.

AQUARIUS - Jan 21/Feb 18
Expect a financial windfall to arrive at your doorstep just when you need it most, Aquarius. This will only further the good mood you've been experiencing for days.

PISCES - Feb 19/Mar 20
Finding balance between what you can afford to purchase and those special things you want comes quite easily this week.

They discovered a murder, an attempted murder and an accidental drowning. In this community cemetery, the midwife, Marie Chollett, who delivered many of the babies and served as their godmother on several occasions, is buried.

They have linked many of these families together by blood and marriage.

They found no divorces, only remarriages after the death of spouses, large families and that the parents lived with their children until they died.

This book preserves family history for future generations and documents the living conditions in the late 1800's in Shaw Bend.

The Riesing was established in 1872 by William and Marie Bergmann Schmidt and is located seven miles from Columbus off Highway 71.

Also, the descendants of the above listed families buried in the Riesing Cemetery are having a reunion on March 3 at Schobel's Restaurant in Columbus.

If you would like more info on the reunion or to order a copy of this historical book, please mail \$25 for the book to Angelina Genzer Kretzschmar, 130 Navato Blvd., San Antonio, Texas 78232-2255, or call 1-210-490-1099.
