RMC Seeks Input On Hospital

The Rice Medical Center Board of Directors has established an Advisory Committee for our hospital district. The members were appointed by the Board and consist of individuals from each community in the hospital district.

The Board of Directors feels that this committee will be the link between Rice Medical Center/Associates and the residents of the district. The members of the Advisory Committee are: Sandy Thomson, Chairman; Elaine Hickey, Vice-Chairman; Vivian Spanihel, Secretary; Kathy Botard; Ida Causey; JoNell Kazmir; Sandy Schneider; Monica Staff and Lydia Yanez.

Rice Medical Center would like for the residents of the hospital district to talk to these members and give them their feelings about Rice Medical Center and Rice Medical Associates.

We would like to hear your ideas and both positive and negative feedback about the hospital and clinic.

Without your assistance we are unable to know what needs to be fixed and what is being done right. Rice Medical Center and Rice Medical Associates are here for the residents of the hospital district and the surrounding areas.

We want to continue to serve our community with exceptional service and to do this we need everyone's input.

With your positive thoughts and constructive criticism, Rice Medical Center and Rice Medical Associates will be able to serve our communities' needs.

If you do not utilize our facilities currently, we would like to know why and what we could do to have you patronize our hospital and clinics.

If you are one of our patients we would like to know what we could do to make your experiences with us better and where you feel our assets are.

Rice Medical Center and Rice Medical Associates want to exceed your expectations every time you walk through our doors.

Our motto at Rice Medical Center is "Our Family Caring For Yours", and we want to make sure that you have that experience. We have a dedicated group of employees and board members that want to make sure that you get the best care available.

Please feel free to talk with a representative on the Advisory Committee. If you would like to stay anonymous that's OK.

As always you are welcome to talk with the hospital administrator, Larry Parsons, or any member of the Board of Directors. We want to hear from you and we thank you for your concern.
