A message from Carlos Gonzalez...

I would like to thank everyone that supported me on election day. Even though I was not successful in winning a seat on the Rice School Board, I feel as a community we won. With the passage of the School Bond, our children will have a great place of learning. And for those that did not support the Bond I have only one thing to say, "When the people of Eagle Lake, Garwood and Sheridan believe in something and join together as neighbors we go after it and make it happen." "Job well done!!" to everyone that helped get the Bond passed.

Thank you and may God Bless, Carlos Gonzalez
