HOROSCOPES

ARIES - Mar 21/Apr 20
There's a bumpy financial road ahead, Aries. So you better start socking away your nickels and quarters to save for that rainy day. Romantic options are slim this week.

TAURUS - Apr 21/May 21
Taurus, expect some major changes at work by Thursday. It's bound to cause some commotion and upheaval to the usual schedule. Stress at work makes home life tense.

GEMINI - May 22/June 21
An upset family member is someone you want to avoid, Gemini. A war of words may ensue otherwise. There are calmer waters at work, where you find yourself retreating to.

CANCER - Jun 22/Jul 22
Cancer, you don't stop talking and it irks those around you. It's best to keep quiet for a while and remain busy instead of being a chatterbox. Meditation can help calm you.

LEO - Jul 23/Aug 23
A big raise seems imminent, Leo, and a promotion could be right around the corner. You're the golden guy or gal at work right now. Enjoy the attention.

VIRGO - Aug 24/Sept 22
You're out of the slump that has been bogging you down, Virgo. That's good news for that creative project that you've started, which now needs your undivided attention.

LIBRA - Sept 23/Oct 23
Libra, your patience is tested at home on Friday. There are too many people vying for your attention and it's communication overload. Lock yourself in a quiet place.

SCORPIO - Oct 24/Nov 22
This week you have finally found the formula for remaining calm under pressure, no matter what gets thrown your way. Others notice the new you immediately, Scorpio.

SAGITTARIUS - Nov 23/Dec 21
A hobby or new interest can keep boredom at bay, Sagittarius. Every now and then some time spent gathering your thoughts or in solitary activities is good.

CAPRICORN - Dec 22/Jan 20
Capricorn, stop butting heads with that person at work. You have to remain calm and not incite arguments. Stubbornness will not get you farther than compassion.

AQUARIUS - Jan 21/Feb 18
You are your own worst critic, Aquarius. Although you like to over analyze things, now is the time to just take the plunge. Trust in your research and findings.

PISCES - Feb 19/Mar 20
A relationship is bound to end this week, but it's for the best, Pisces. It wasn't your fault; this person just couldn't devote the time.
