# HOROSCOPES

**ARIES - Mar 21/Apr 20**  
 You're motivated by rash actions, Aries, but this only spells trouble for you later in the week. Romantic options are limited when you plan a night out with your sweetheart.

**TAURUS - Apr 21/May 21**  
 Turn around an argument that will occur on Wednesday by giving the person a compliment instead of a negative observation. Money issues are at the center of a disagreement.

**GEMINI - May 22/June 21**  
 Gemini, you're clearly not ready to make that decision that has been occupying your mind as of late. Give it more time and the right answers will be revealed to you.

**CANCER - Jun 22/Jul 22**  
 Cancer, you're operating on autopilot even though you should be paying more attention to what you're doing. Expect some bumpy times ahead in the next few days.

**LEO - Jul 23/Aug 23**  
 Scaling the mountain is easier if you have the right equipment, Leo. If you have a task to complete, organize yourself first and then work through the steps to achieving it.

**VIRGO - Aug 24/Sept 22**  
 At work you want to act like a shark but you're feeling more like a guppy, Virgo. Remember that everyone is on equal ground with you, so there is nothing to worry about.

**LIBRA - Sept 23/Oct 23**  
 An independent spirit could get you into a pickle, Libra, especially when there are rules you must follow. There is an opportunity for creative expression on Thursday.

**SCORPIO - Oct 24/Nov 22**  
 Scorpio, you are in denial over a problem that everyone sees except you. If you are to work through it, you first have to admit your weaknesses.

**SAGITTARIUS - Nov 23/Dec 21**  
 A family squabble turns into something more, Sagittarius. You have to serve as mediator to get things under control. Financial windfalls are coming your way.

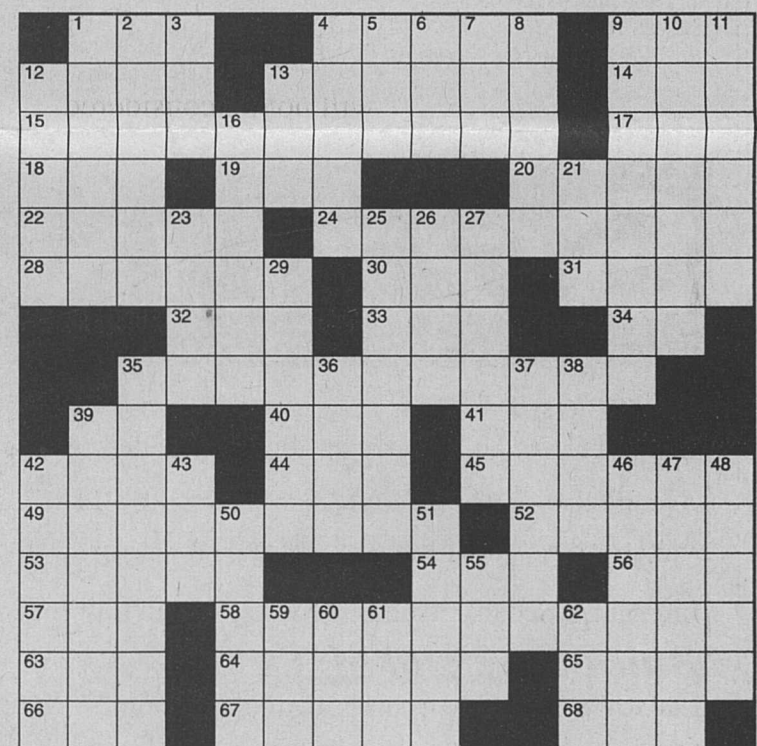

**CAPRICORN - Dec 22/Jan 20**  
 It is time to take a look at your current situation and make a viable plan for change, Capricorn. You are stagnant and that is not a good state to be in. Aim for fresh air and new surroundings.

**AQUARIUS - Jan 21/Feb 18**  
 It's important to think positively this week, Aquarius, because things you think are insurmountable are really much easier to conquer. Expect help from an unlikely source.

**PISCES - Feb 19/Mar 20**  
 You're into questioning how and why things are occurring, Pisces. It's good to have an inquisitive nature if you put it to a positive use.
