HOROSCOPES

ARIES - Mar 21/Apr 20
 With lofty plans in mind, you set out to make a commotion this week, Aries. However, you'll find that your impact isn't quite what you had hoped it to be.

TAURUS - Apr 21/May 21
 Taurus, resolutions to change are only effective if you really want to change. Think about whether you're ready to take on this task.

GEMINI - May 22/June 21
 Your supportive and caring nature comes through on Wednesday, Gemini, when you'll be asked to go above and beyond in a certain situation.

CANCER - June 22/July 22
 What you view as flaws are barely discernable by others, Cancer. This week you'll have the opportunity to see yourself in an entirely different light and it will be a revelation.

LEO - July 23/Aug 23
 You'll get to the finish line whether you run or walk, Leo, so don't feel the pressure to perform over your ability. The end result will be the same regardless of the pace.

VIRGO - Aug 24/Sept 22
 Virgo, never think twice about what you know to be the right choice deep down in your gut. You have never been one to confuse right from wrong, so don't worry.

LIBRA - Sept 23/Oct 23
 When someone opens up to you this week you don't know how to react, Libra. It's better to be honest with this person, otherwise he or she may not feel comfortable talking to you again.

SCORPIO - Oct 24/Nov 22
 You're at a crossroads in your career, Scorpio, but certain signs will present themselves later in the week. You may be surprised at the direction they take you.

SAGITTARIUS - Nov 23/Dec 21
 Adjust your way of thinking when it comes to a family member who usually pushes all your buttons, Sagittarius. You have to be the bigger person in this situation.

CAPRICORN - Dec 22/Jan 20
 Capricorn, remarkable things can happen when you set your mind to them and this week is no different. You may need a little help from Virgo in this situation, though.

AQUARIUS - Jan 21/Feb 18
 Aquarius, just when you thought you couldn't take one more obstacle, the road opens up and is clear sailing toward your goal. Now is the time to pick up the pace.

PISCES - Feb 19/Mar 20
 Does it seem like you're swimming against the current, Pisces? It could be because you just like to do things a bit differently from others.

FAMOUS BIRTHDAYS
