

TPWD Outlines Hunting, Fishing Regulations

If you violate fish and wildlife laws, in addition to civil restitution you may:

-be fined (Class C – \$25–\$500; Class B – \$200–\$2000; Class A – \$500–\$4000; State Jail Felony, \$1500–\$10,000);

-be jailed (Class B and higher offenses);

-face automatic suspension or revocation of licenses for up to 5 years;

-forfeit hunting gear, including firearms, used to commit a violation.

CIVIL RESTITUTION: In addition to the criminal penalty for hunting and fishing violations, the department will seek the civil recovery value for the loss or damage to wildlife resources. The civil restitution cost is payable to Texas Parks and Wildlife Department and is in addition to the fine assessed by the court. Failure to pay the civil recovery value will result in the department's refusal to issue a license, tag, or permit. An individual who hunts or fishes after the refusal commits a Class A misdemeanor which is punishable by a fine not less than

\$500 or more than \$4,000; punishment in jail not to exceed one year; or both fine and confinement. For questions concerning civil restitution call (512) 389-4630.

General Law

The following information addresses some of the more commonly asked questions about hunting and fishing requirements and restrictions. For additional information not included in this guide, contact your local game warden or phone the Texas Parks and Wildlife Department (TPWD) toll free at (800) 792-1112.

• **INSPECTION AUTHORITY:** A game warden who observes a person engaged in an activity governed by the Texas Parks and Wildlife Code or reasonably believes that a person is or has been engaged in such an activity may inspect:

(2) any device that may be used to hunt or catch a wildlife

resource;

(3) any wildlife resource in the person's possession; and

(4) the contents of any container or receptacle that is commonly used to store or conceal a wildlife resource.

The full text of this law may be found in the Texas Parks and Wildlife Code, §12.102. See Texas Parks and Wildlife Codes at <http://tlo2.tlc.state.tx.us/statutes/pw.toc.htm> or call TPWD at (800) 792-1112 (press 9, then 4381).

Non-residents must carry similar documents issued by the agency in their state or country of residence that is authorized to issue driver's licenses or personal identification certificates.

-**Possession Limit:** For all wildlife resources taken for personal consumption and for which there is a possession limit, the possession limit shall not apply after the

wildlife resource has reached the possessor's permanent residence and is finally processed.

-**Special regulations and documents** are required for the transfer and importation of wildlife resources (see Transfer of Wildlife Resources, pg. 27).

-**Waste of Game:** A reasonable effort must be made to retrieve all wounded game birds and game animals and they must be killed immediately and become a part of the legal bag limit. It is a violation to fail to keep all edible portions of a game bird, game animal, or fish in an edible condition. For whitetail and mule deer, pronghorn antelope, and desert bighorn sheep, the violation is a Class A misdemeanor.
